Covers lifeguarding responsibilities along with information on such topics as rescue breathing, CRP and AED, supplemental oxygen support, spinal injury management, handling risks, and professionalism.

The "Complete Swimming Pool Reference", having been a respected staple in libraries of many aquatic professionals for nearly a quarter century, has been improved with up-to-date, cutting-edge information. The third edition brings to you our best and most recent efforts in this new authoritative text. Rachel Griffiths and Tom Griffiths combine over 50 years of professional swimming pool experience in this country and abroad to bring you the newest swimming pool technologies and information that will certainly improve the safety and enjoyment of your aquatic facility. New and exciting information includes The Americans with Disabilities Act, expanded Risk Management chapters, in-depth discussions on water safety, and much more.

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

As the number of community pools and waterparks grows nationwide, participation in aquatic activities is also growing. Lifeguards must receive proper and effective training, and maintain their skills to ensure their ability to work effective with others as a part of a lifeguard team. This manual will supplement your in-service training to keep your knowledge and skills sharp.

This text presents lifeguarding skills that participants will learn in Ellis & Associates' National Pool and Waterpark Lifeguard Training Program, integrating CPR, first aid, AED, and oxygen administration into one curriculum. Step-by-step instructions and guidelines are given for rescuing drowning

Meet a genuine American folk hero cut from the homespun cloth of America's heartland: Sam Walton, who parlayed a single dime store in a hardscrabble cotton town into Wal-Mart, the largest retailer in the world. The undisputed merchant king of the late twentieth century, Sam never lost the common touch. Here, finally, inimitable words. Genuinely modest, but always sure of his ambitions and achievements. Sam shares his thinking in a candid, straight-from-the-shoulder style. In a story rich with anecdotes and the "rules of the road" of both Main Street and Wall Street, Sam Walton chronicles the inspiration, heart, and optimism that propelled him to lasso the American Dream.

NEW YORK TIMES BESTSELLER Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It's an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for The Wolf of Wall Street "Raw and frequently hilarious."—The New York Times "A rollicking tale of [Jordan Belfort's] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives."—Forbes "A cross between Tom Wolfe's The Bonfire of the Vanities and Scorsese's GoodFellas . . . Belfort has the Midas touch."—The Sunday Times (London) "Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read."—Kirkus Reviews

From Liberty to Magnolia: In Search of the American Dream vividly recounts the journey of an African-American woman from rural, segregated Mississippi through academia, corporate America, and politics. It is the story of how she triumphed even when, more often than not, the ugly realities of racism and sexism tried to deter her. This book tells the broader story, too, of how her life epitomizes what the Civil Rights Act and Equal Rights Amendment have meant and have not meant for blacks and women as she has lived through their maturation during the last 50 years. What better time than now to examine how these two seminal and defining events played out in the life of an ordinary African-American woman who believed in all of America's promises? What better moment than today to look deeply at the life of a woman who prepared herself and worked tirelessly to achieve her goals only to realize that many lay beyond her reach and that of most women and most blacks. From Liberty to Magnolia shows readers, especially aspiring women and minorities—with whom her story will have special resonance—how to navigate and ultimately embrace the challenges at every major crossroads and be triumphant. A Discussion Guide is included for use by book clubs, classes, and group forums.

This text is intended as a guide for lifeguards, for lifeguard training instructors, and for managers of aquatic facilities who want to establish a system for selecting, training, and using lifeguards ... This text focuses on the skills and knowledge an individual requires to properly assume lifeguarding responsibilities at a swimming pool, water park, or a protected (nonsurf) open-water beach. This text emphasizes that additional training will need to be provided by aquatic facilities where lifeguards are employed. -Chap. 1.
