Bringing together a
number of pioneering
thinkers and workers
in the field of
psychosis, this book

Download Ebook Envy

provides an
interrogation of
'official theories'
surrounding
schizophrenia and
examines the range of
ways in which
psychosis can be
thought about and
worked with. The first
part of the book,
which deals with the
meaning of psychosis,
presents papers on

Download Ebook Envy

the development of psychosis from historical, social, theoretical and emotional perspectives. It explains current psychoanalytical ideas of the meaning of psychosis and looks at the ways in which psychoanalytic theorists have found meaning in the

Download Ebook Envy

communications of psychotic patients. The more clinically oriented papers in the second part of the book focus on the treatment of psychosis. These describe ongoing work in therapeutic settings with people diagnosed as being schizophrenic, as well as the effects on staff

fascinating
supervisory case
studies the author
draws on Kleinian
concepts and
Scandinavian clinical
experience to show
how a
psychotherapeutic
approach can,
through a combination
of empathy and sound
theory, stabilise,
contain, integrate and

Download Ebook Envy

tame the unnamable terrors and compulsions of psychosis.

In the 14th edition of this market leading title, Psychology and the Challenges of Life: Adjustment and Growth, authors Spencer Rathus and Jeffrey Nevid continue to reflect on the many

Download Ebook Envy

ways in which psychology relates to the lives we live and the important roles that psychology can play in helping us adjust to the many challenges we face in our daily lives.

Throughout the text, the authors explore applications of psychological concepts and

Download Ebook Envy

principles in meeting life challenges such as managing time, developing self-identity, building and maintaining relationships, adopting healthier lifestyles, coping with stress, and dealing with emotional problems and psychological disorders. The new

Download Ebook Envy

edition has been thoroughly updated to meet the needs and concerns of a new generation of students. It provides additional information on psychology in the digital age, social media, the current Opioid crisis, as well as offering greater coverage of matters concerning sexuality

comprehensive
understanding of
personality. Richard
Ryckman's student-
friendly writing style
offers a
straightforward
presentation of major
theories, helping
readers more easily
distinguish between
them. The text begins
by providing a
framework that

Download Ebook Envy

defines personality and emphasizes the science of personality--including the interrelation between research and theory. Next it introduces each major theoretical position with an objective overview of the theorist's basic concepts and principles. It

Download Ebook Envy

concludes by noting the ways in which the different theories stimulate additional research efforts and by presenting five current research trends resulting from the work of these earlier theorists. The result is a text that merges the best of classic and contemporary

Download Ebook Envy

research to equip students with a solid working knowledge of personality. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Nelson Pediatric
Symptom-Based
Diagnosis uses a

Download Ebook Envy

Unique, step-by-step, symptom-based approach to differential diagnosis of diseases and disorders in children and adolescents. Conveniently linked to the world's best-selling pediatric reference, Nelson Textbook of Pediatrics, 20th Edition, it focuses on

Download Ebook Envy

the symptoms you're likely to see in general practice, as well as uncommon disorders. You'll find clear guidance on exactly what to consider and how to proceed when faced with a host of common symptoms such as cough, fever, headache, chest pain, gait disturbances, and many more. Features

Download Ebook Envy

a practical, symptom-based approach that enables you to form an accurate diagnosis. Uses the same consistent, step-by-step presentation in every chapter: History, Physical Examination, Diagnosis (including laboratory tests), Imaging, Diagnosis, and Treatment.

Download Ebook Envy

Covers new approaches to diagnostic imaging and genetic testing, new diagnostic guidelines, BRUE (brief resolved unexplained event), stroke in children, behavior disorders, syncope, recurrent fever syndromes, and much more. Includes full-color illustrations,

Download Ebook Envy

algorithms, tables,
and "red flags" to aid
differential diagnosis.
Serves as an ideal
companion to Nelson
Textbook of
Pediatrics, 20th
Edition.

A decade in the
making, the
Handbook is the

Exposition of
interpersonal
psychoanalysis. It
provides an
authoritative overview
of development,
psychopathology, and
treatment as
conceptualized from
the interpersonal
viewpoint.

This book presents
the application of key

Download Ebook Envy

psychoanalytic
concepts in thinking
about the dynamics in
the couple
relationship. The
contributions to the
first part, mainly
theory, discuss how
different
psychoanalytic ideas
can be used in
conceptualizing the
nature of couple
interaction. In the

Download Ebook Envy

second part, on clinical practice, four couples tell their stories during their clinical sessions. Couple Stories conveys a lively experience of the couple's relationships as these occur in the consulting room and there are several commentaries for each 'couple story'.

Download Ebook Envy

Commentaries

explore the concepts described in the earlier part of the book, as well as clinical themes that couples bring to their sessions and the difficulties that they have encountered in the course of their relationship.

Commentaries also provide an insight into

Download Ebook Envy

how psychoanalytic couple therapists think about the clinical material, what they might select as a focus, and how they may go about developing a hypothesis about the nature of the relationship between the partners.
