Tomlinson-Online - Etheric

Whereas in the etheric world above an initiation took place in the experience of the new planetary sphere of light, life and warmth, earthly humanity fell under the domination of its opposing forces. As a result of the divide of humanity these two halves would now by itself drift apart in opposite cosmic directions and evolutions.

The Etheric: Broadening Science through Anthroposophy, Volume 1: The World - By Ernst Marti, new translation, 2017. Marti poses good questions: Why does a grain of sand simply lie there, wet or not. while a seed grain once wet will sprout? Why does water surrender completely to gravity, while sap in a plant rises upwards? p. 46
