The European Union created a Committee of the Regions to represent Regions of Europe as the layer of EU government administration directly below the nation-state level. The Committee has its headquarters in Brussels. Reasons given for this include: the historic and cultural claims for autonomy in many regions all over the EU

Region (Europe) - Wikipedia

European integration has affected regions in various ways. It has created economic winners and losers. It has taken up powers formally devolved to regions and has often strengthened national governments at the expense of regions, since it is the Member States who are represented in European insitutions. Regions have mobilized in various ways to influence European policies, directly or through their national governments.

European Union and the Regions - Oxford Scholarship

Regions in the European Union - Nomenclature of territorial units for statistics - NUTS 2013/EU-28. This document presents the current NUTS nomenclature, which subdivides the territory of the European Union into 98 regions at NUTS level 1, 276 at NUTS level 2 and 1 342 at NUTS level 3.
