The Extinction Cycle (7 book series) Kindle Edition

This is book one of the extinction cycle, which paints and puts out a HUGE, GIGANTIC universe where the apocalypse or humans is upon us. Its an amazing story, and has a bunch of off shoots, that are other charcaters story of viewpoints during the same events, and even a series "hell divers", which takes place in the same universe but a 100 or 200 years in the future, and its an AMAZING STORY to follow.

Extinction Cycle is one of the best if not the best Post-Apocalyptic Sci-fi series I have ever read. I started this series on March 13, 2020 with Extinction Horizon and finished with Extinction Darkness from Season Two on June 30, 2020. There are supporting stories that I read with this series and they will not leave you disappointed.
