I really HATE my Fisher & Paykel Ecosmart G15. This is the second one and it's very tough on clothes, so far in five months 4 pair of jeans have damaged, can't wear anymore. The first Fisher & Paykel ...

Sustainable, green building is taking off. This book provides descriptions and manufacturer contact information for more than 1,400 environmentally preferable products and materials for all phases of residential construction, grouped by function, including tips for what to look for in green products.

Rushmore is the second work from the team of Wes Anderson and Owen Wilson following the success of their debut screenplay and film *Bottle Rocket*. It is a refreshingly offbeat comedy about young Max Fish, a precocious pupil at a conservative private school. He is a live wire, a teenager full of madcap entrepreneurial schemes that usually in failure. His personal life becomes similarly complicated when he falls for his elegant teacher, Rosemary Cross, and finds himself vying for her favor with Herman Blume—who is portrayed in the film by Bill Murray—the wealthy father of two of his classmates. Max ultimately proves himself a figure of some tenacity as he negotiates the minefield of love, desire, and adolescence. At the Toronto Film Festival, Screen International called Rushmore "a real charmer filled with surprise twists and emotions that avoid sentimentality . . . A little gem."

The New York Times bestselling author of *Devil's Bridge* and renowned former Manhattan prosecutor delivers a mesmerizing Alexandra Cooper novel set at the crossroads of big money, high culture, and murder... *The Bone Vault* begins in the Metropolitan Museum of Art's glorious Temple of Dendur, where wealthy donors have gathered to celebrate a controversial new exhibit. An uneasy mix of scholarship, showbiz, and aggressive marketing, "A Modern Bestiary" will be a joint venture of the Met and the American Museum of Natural History. With its IMAX time trips and Rembrandt refrigerator magnets, the "Bestiary" has raised fierce opposition from some of New York's museum elite. Assistant DA Alexandra Cooper, off duty for the evening, observes the developing tensions with bemused interest until Met director Pierre Thibodaux pulls her aside. He needs her advice. There's an urgent problem out at a loading dock on a New Jersey pier. A Twelfth Dynasty mummified princess, enclosed for eternity in a huge stone sarcophagus, is about to take a long voyage to Cairo as part of a routine museum exchange. But Cleopatra is missing, and in her place is the not-so-mummified body of a woman many centuries younger than her royal predecessor. Who is this woman with the small physique, the dark hair, and the shiny barrette? What is her connection, if any, to the rarefied world of priceless art and objects? And how and when did she become entombed in the sarcophagus? Teaming with cops Mike Chapman and Mercer Wallace, Alex must explore behind the scenes at the elegant but severe Metropolitan, travel uptown to the remote setting of the Cloisters and its medieval trove of funerary art, and on to the massive array of beasts and bones at the Museum of Natural History. Somewhere deep within the bowels of one of these great cultural centers, a killer may wait. Atmospheric, chilling, and rich with the kind of procedural authenticity that only Linda Fairstein can provide, *The Bone Vault* is a page-turning tour de force from one of crime writing's brightest stars.

Blending science fiction and fantasy, the second book of the Coldfire Trilogy continues a dark tale of an alien world where nightmares are made manifest. Two men, absolute enemies, must unite to conquer an evil greater than anything their world has ever known. One is a warrior priest ready to sacrifice anything and everything for the cause of humanity's progress; the other, a sorcerer who has survived for countless centuries by a total submission to evil. In their joint quest, both will be irrevocably changed. *When True Night Falls* is the sequel to C. S. Friedman's acclaimed *Black Sun Rising*.

The Ultimate Gi Diet incorporates, and builds upon, the remarkable results and success stories of the original Gi Jean's Diet. Rosemary takes the scientifically proven success of Glycaemic Indexing (Gi) and represents it in a straightforward format with an easy to follow A-Z of Gi foods. The book contains no calculations or complex charts, but a simple diet and maintenance plan that promises dramatic weight loss - fast! There is 70% new material, with a greatly extended, easy to follow diet plan offering twice as many meal options and many more new recipes as well as menu plans for solo dieters and shift workers, tips on dining out, easy exercises to speed up weight loss and lots of no-nonsense advice and motivation from Rosemary. There are anecdotes and success stories for slimmers who have lost weight on the original Gi Jeans Diet, many of whom have reported amazing health benefits. It also features the story of five trial dieters who lost 8 stone between them in just nine weeks and who were featured on ITV's Central News.

Spanning fifteen years of travel, beginning when she is a sophomore in college, *Wanderlust* documents Elisabeth Eaves' insatiable hunger for the rush of the unfamiliar and the experience of encountering new people and cultures. Young and independent, she crisscrosses five continents and chases the exotic, both in culture and in romance. In the jungles of Papua New Guinea, she loses herself—literally—to an Australian tour guide; in Cairo, she reconnects with her high school sweetheart, only to discover the beginning of a pattern that will characterize her life over the long-term: while long-distance relationships work well for her, traditional relationships do not. *Wanderlust*, however, is more than a chronological conquest of men and countries: at its core, it's a journey of self-discovery. In the course of her travels, Eaves finds herself and the sense of home she's been lacking since childhood—and she sheds light on a growing culture of young women who have the freedom and inclination to define their own, increasingly global, lifestyles, unfettered by traditional roles and conventions of past generations of women.

Once upon a time, salad was iceberg lettuce with a few shredded carrots and a cucumber slice, if you were lucky. A vegetable side was potatoes—would you like those baked, mashed, or au gratin? A nice anniversary dinner? Would you rather visit the Holiday Inn or the Regency Inn? In Grand Forks, North Dakota, a small town where professors moonlight as farmers, farmers moonlight as football coaches, and everyone loves hockey, one woman has had the answers for more than twenty-five years: Marilyn Hagerty. In her weekly *Eatbeat* column in the local paper, Marilyn gives the denizens of Grand Forks the straight scoop on everything from the best blue plate specials—beef stroganoff at the Pantry—to the choicest truck stops—the Big Sioux (and its lutefisk lunch special)—to the ambience of the town's first Taco Bell. Her verdict? "A cool pastel oasis on a hot day." No-nonsense but wry, earnest but self-aware, *Eatbeat* also encourages the best in its readers—reminding them to tip well and why—and serves as its own kind of down-home social register, peopled with stories of ex – postal workers turned café owners and prom queen waitresses. Filled with reviews of the mom-and-pop diners that eventually gave way to fast-food joints and the Norwegian specialties that finally faded away in the face of the Olive Garden's endless breadsticks, Grand Forks is more than just a loving look at the shifts in American dining in the last years of the twentieth century—it is also a surprisingly moving and hilarious portrait of the quintessential American town, one we all recognize in our hearts regardless of where we're from.

Clear light of Bliss is a unique and highly acclaimed explanation of the advanced practices of Vajrayana Buddhism - the supreme path to enlightenment taught by Buddha. The book provides a detailed and practical explanation of the completion stage practices of Tantric Mahamudra, from the initial meditation on our subtle body, through the stages of inner fire meditation and the four joys, to the final attainment. Geshe kelsang also gives extraordinarily clear explanations of the nature of the mind, how to develop meditative concentration, and how to meditate on emptiness, the ultimate nature of reality.

This book will be an invaluable guide to those travelling the Tantric swift path to full enlightenment.

From living the dream in the Big Apple to strolling the romantic boulevards of the City of Love, blogger Angela Clark—the starry-eyed protagonist of *I Heart New York*—is back in *I Heart Paris*. British author Lindsey Kelk, already a major bestseller in the U.K., is making a name for herself in America as well with novels that brim with real heart and humor. A story sure to delight all lovers of contemporary women's fiction—especially fans of Sofia Kinsella, Emily Giffin, and *Sex and the City*—*I Heart Paris* is a love letter to the most romantic metropolis in the world. Lindsey Kelk brings all the excitement and joie de vivre of Paris, France, to breathtaking life, as Angela, seduced by the fabled Parisian allure, struggles to keep her own love relationship, and her career, from falling apart.

Jealousy, deceit, and a whole lot of fun. Sexy ex-hockey player Max Samson is the bad boy with something to prove. Handsome single father Adam Carter is the man most women wait a lifetime for. They each take bold and impulsive Lily Hamilton on a journey of self-discovery that's woven with jealousy, deceit, and a whole lot of fun. Lily gets a glimpse of two versions of happily ever after, but will her own piece of perfect be the bad boy or the nice guy? In her quest to have it all, she's risking everything, and only one thing is certain. She'll never be the same.
