Flight of the Sparrow is everything historical fiction should be. I felt transported to seventeenth century Massachusetts and learned so much about the Puritan way of life as well as the Native American way of life. This time period is such a little known era in colonial American history and I don't recall King Phillip's War being taught in my history c ...

Flight of the Sparrow by Amy Belding Brown

Flight of the Sparrow is a biographical novel about the experiences of Mary Rowlandson who lived in 17th century Massachusetts at a time when conflict with Native Americans was at its pinnacle. After the town of Lancaster is attacked and burned, Mary and three of her children survive, but are taken captive by a local tribe.

Presents a fictionalized account of the life of Mary Rowlandson, a Puritan woman living in the Massachusetts Bay Colony who was captured by Native American in 1675 and who developed empathy for her captors before she was released eight months later.

In this novel about Ralph Waldo Emerson's wife, Lidian, Amy Belding Brown examines the emotional landscape of love and marriage. Living in the shadow of one of the most famous men of her time, Lidian becomes deeply disappointed by marriage, but consigned to public silence by social conventions and concern for her family's reputation. Drawn to the erotic energy and intellect of close family friend Henry David Thoreau, she struggles to negotiate the confusing territory between love and friendship while maintaining her moral authority and inner strength. In the course of the book, she deals with overwhelming social demands, faces devastating personal loss, and discovers the deepest meaning of love. Lidian eventually encounters the truth of her

own character and learns that even our faults can lead us to independence.

A visionary work that combines speculative fiction with deep philosophical inquiry, *The Sparrow* tells the story of a charismatic Jesuit priest and linguist, Emilio Sandoz, who leads a scientific mission entrusted with a profound task: to make first contact with intelligent extraterrestrial life. The mission begins in faith, hope, and beauty, but a series of small misunderstandings brings it to a catastrophic end. Praise for *The Sparrow* "A startling, engrossing, and moral work of fiction."—*The New York Times Book Review* "Important novels leave deep cracks in our beliefs, our prejudices, and our blinders. *The Sparrow* is one of them."—*Entertainment Weekly* "Powerful . . . *The Sparrow* tackles a difficult subject with grace and intelligence."—*San Francisco Chronicle* "Provocative, challenging . . . recalls both Arthur C. Clarke and H. G. Wells, with a dash of Ray Bradbury for good measure."—*The Dallas Morning News* "[Mary Doria] Russell shows herself to be a skillful storyteller who subtly and expertly builds suspense."—*USA Today*

Julie Hoffman is sixteen, clumsy, and a dreamer. Not such a great combo when your mom has moved you to a new school on Long Island. Feeling alone and ugly, Julie dreams about her estranged dad coming back and calling her Sparrow again. All she has left to remember him by is his collection of adventure and fantasy novels—which propels her into developing a fantasy of her own. In her new school Julie meets the members of the Clan of the Western Holt—a group of bright, imaginative kids like herself who don't quite fit in. They devour comic books, sew costumes for Renaissance Faires, stage mock hunts, and huddle together for warmth and friendship against a world that ridicules them. The Clan brings out a talent for writing that has lain dormant in Julie. With Dana Burke, a young artist, Julie begins to write her own fantasy—'Sparrow's Flight'—and in it she puts all of her crises and dreams. She is able to give voice to her fears and desires through her make-believe characters—chronicling a painful experience with love, betrayal, and death. In her fantasy, Julie goes on an imaginary quest for her father and a mission to destroy the evil sorceress—her mom. But when she has the real-life chance to accomplish both, Julie finds that she has changed and makes her first adult decision.

Erupting from the depths of a madman's nightmare, a foul tide of twisted magical abominations sweeps across the kingdom of Neffrom, devouring everything in its path. Behind this mighty vanguard marches the unstoppable host of the immortal Hezra-Thrall spreading his terrible, soul-corrupting curse like plague across the land. Desperate Hope In the frigid depths of winter, hope burns small, its feeble flicker sheltered in the hearts of two young nobles, the disinherited lordling, Sparrow of Blackaker, and the blind swordswoman, Kisha. Bound together by a damning prophecy, this wretched pair must survive Thrall's legions, confront their own most horrible fears, and stand together against a god in battle wherein the ultimate sacrifice becomes the ultimate weapon.

After a fellow slave is beaten to death, Sadie and her family flee the plantation for freedom through the Underground Railroad.

It's been five months since an immunization for the flu collapsed civilization. Sparrow Gray had nothing to her name but the backpack she carried and the meager contents inside. Utterly alone, she fought to survive daily. Everyone was a suspected foe, and the ones unlucky enough to be infected were nothing more than walking corpses. Mason, an ex-Navy SEAL, and Asher, a back-alley fighter, found each other at an unlikely time. The two never thought they'd find pleasure in each other's arms. Then came Sparrow, and both realized they wanted her as badly as they wanted each other. And they meant to make that their reality. The world was a dangerous, ugly place, and their trip was filled with fear, pain, and everything in between. But when Sparrow was taken by men who wanted to use her for the only commodity left in this barren world, Mason and Asher would do everything in their power to get her back safely. But could Mason and Asher get to her before all hell broke loose? Reader note: This story was previously published under the same title. It has since been reedited, minimally revised, and new content has been added.

In *A Sparrow's Flight*, her second novel, first published in 1989, Margaret Elphinstone is already occupying her characteristic location on the borderlands which were to become familiar territory in her subsequent writing. The novel is set in the 'debatable lands' between Scotland and England but explores more elusive borders between waking and dreaming, sanity and madness, myth and reality, and the unsettling landscape between our imagined pasts and hoped-for futures. Thomas and Naomi are on a journey through a world that has experienced catastrophic change. Early reviewers, writing amid the Cold War, placed the story in the aftermath of nuclear holocaust. The author offers no such certainty. The plaintive but unexplained references to 'before the world changed' resonate with a menace all the more unnerving in its ambiguity. Through this regenerating landscape – the previously blighted 'empty lands' – Thomas and Naomi find their journey turns full circle, returning them to their starting point as changed people, with new understandings of friendship and belonging. As with every quest there is a grail and their grail is music. Its rediscovery is a metaphor for that Golden Age we all need to believe existed 'before the world changed'. . . .".....powerfully convincing in its blend of medievalism and post-modern disillusion..." Douglas
