Quilters love a well-tended garden almost as much as perfect piecing. Now they can have both! Quilters can finally create their ideal landscape with no watering required! Use Amy Friend's 40 adaptable flower, stem, and leaf blocks (plus a snail and a butterfly!) to piece together a garden scene in any number of combinations: from tropical greenery using minimal greens and creams to a cottage garden packed with all of the bold hues of summer. Included are six colorful quilt patterns, and a cute tote, designed and pieced by the author to help get readers started with their planning, as well as inspirational digital layouts to showcase just how customizable these blocks can be. Perfectly pretty patchwork!

The simple petal shape takes center stage in this charming book, Playful Petals by Corey Yoder. Each of the 18 appliqué projects employ simple piecing techniques; the appliqué is straightforward, eliminating the need for reverse templates, additional seam allowances, and time consuming methods. The techniques are well suited for sewists of all levels.

Author and appliqué aficionado, Deborah Kembal, juxtaposes lovely florals against dark backgrounds, creating an effect that makes the flowers pop! Create a variety of lovely silk or cotton quilts with two full-size appliqué patterns featuring curving blooms, petals, and vines. Plus, you can use the blocks from the 9-block quilt to make pillows, table runners, smaller quilts. The two-in-one pattern pack includes full-size patterns and a 16-page booklet.

Nothing brightens a home more than a bouquet of flowers. And what could be better than flowers that last? From table runners to wall hangings to throw quilts, you'll find the perfect design to add a pop of color to your home or to give as a gift with these nine creative projects.

Create a bouquet of beautiful quilted flowers with 10 quick and easy techniques for flower petal quilt blocks that can be used to create quilts, lap robes, baby blankets, trivet covers and potholders - made entirely by sewing machine - without having to deal with curved piecing. &#x26;#x26;Laura Farson presents instructions for 15 three-dimensional projects that include easy, intermediate and advanced techniques, attractive color choices and ease of design, all with beautiful results. The block construction used to create the flower petals is so simple that it's as easy as folding corners to the center. &#x26;#x26;The first chapter provides basic skill instruction, but even those sample flower petals can be used as potholders or trivet covers. The projects appeal to sewers, crafters and quilters, with designs applicable to all seasons and for holiday decor.

Make sewing by hand your next creative accomplishment! Embrace the chance to unwind and enjoy the process of creating hand made quilt blocks with Becky Goldsmith's step-by-step instructions. Start at the beginning and learn how to appliqué, quilt, and paper piece by hand, and appreciate the unique dedication of a hand-sewn project, guaranteeing your patchwork project to be one of your most special and personal quilts to date. Gain insight into all the best threads, needles, thimbles, marking tools, seam allowances, knots, and more to get you started. Fall in love with these time-honored techniques and make something that will last a lifetime!

DIVPacked with photographs and diagrams for 75 quilt blocks, The Quilt Block Book teaches you three basic block construction methods to get you started in the world of quilt blocks. The blocks are divided into three sections by technique: quick piecing, foundation (paper) piecing, and appliqué blocks. Each section includes basic technique instruction, followed by 25 blocks. Follow the step-by-step instructions to quickly learn the order of construction and directions for pressing seam allowances, while color diagrams of the blocks show them used in multiples so you can plan out your full quilt as you go along./divDIV/divDIVThe perfect mix of original designs and modern interpretations of traditional patterns, this book offers something for both the beginner and experienced quilter. Each block can be interpreted in endless fabric combinations, so youâ€™ll gain a wealth of inspiration. Whether you choose to use the blocks for full quilts, small dÃ©cor pieces, or even fashion accents is completely up to you./divDIV/divDIVLinks to online patterns make it easy for you to print out patterns for the blocks in the size you want. Paper-pieced blocks can be printed out on paper to go straight from printer to sewing machine; no tracing necessary./divDIV/divDIVThe author's unique approach to foundation piecing provides the full patterns plus the option of individual rough-cut templates for each segment that prevent inadequate coverage. Patterns for quick-pieced and appliqué blocks include seam allowances, so you can forget about having to draw templates and add seam allowances./div

Flowers are perennial favourites in patchwork, applique and quilting. Pauline Ineson shows you how to create amazing three-dimensional flowers with machine quilting, patchwork and applique techniques. This garden of 20 irresistible fabric flowers includes pretty little marigolds, intricate fuchsias, stately foxgloves and elegant tulips. A wide variety of techniques are used to make the flowers, including ruching fabric, gathering and coiling fabric and many applique techniques. Detailed step-by-step artwork and gorgeous photography beautifully illustrate Pauline's innovative designs, which are accompanied by full-size templates. There are also instructions for making stems and various leaf shapes. Variations for each flower show how you can adapt the colours and styles to create your own unique versions. The book also includes examples of stunning quilt blocks incorporating the flower designs for added inspiration. Floral Dimensions is a beautiful book that will inspire you to create your own delightful bouquet of flowers that you can use to adorn all sorts of lovely sewing projects.
