Frankenstein adaptation by Pullman | Teaching Resources

Frankenstein, Play, Reading, Writing, KS3 Updated - now the scheme runs for 12 weeks instead of 6! The scheme is designed to accompany study of the Philip Pullman play adaptation, but is more a Reading/Writing focused unit than a speaking and listening one (though there are lots of presentations, speeches, debates, etc... within it) Lesson 17 in the scheme includes approx 5 slides from another TES resource.

Frankenstein - SOW - 30+ lessons - KS3 | Teaching Resources

Philip Pullman ' s aim was to adapt the novel of " Frankenstein " into an exciting and thought-provoking play, which would still convey Mary Shelley ' s main themes. His tools were dramatic techniques, some of which are the same as literary techniques, such as characterisation, and some of which were different, such as stage directions.

Part of a series of dramatizations of well-known novels, selected for Key Stage 3 students, this play examines the monster's situation in a sympathetic light, and shows how the experiment to create an artificial human being went horribly wrong.

An engaging classroom playscript. Frankenstein is the famous story of a young man who thinks he can change the world by making better human beings. Instead he creates a living monster with a mind of its own. New, innovative activities specifically tailored to support the KS3 Framework for Teaching English and help students to fulfil the Framework objectives. Activities include work on Speaking and Listening, close text analysis, and the structure of playscripts, and act as a springboard for personal writing.

Long ago in Germany, a storyteller's story and an apprentice clockwork-maker's nightmare meet in a menacing, lifelike figure created by the strange Dr. Kalmenius.

THE STORY: As the play begins, an exhausted and dying Victor Frankenstein has finally tracked down his Creature in the lonely, frozen tundra of the North Pole. Determined to right the wrong he has committed by, at last, destroying the malignant evi

Devotion turns deadly in this second Gothic thriller from Printz Honor — winner Kenneth Opel that is " every bit as thrilling and engaging " (VOYA) as This Dark Endeavor. When does obsession become madness? Tragedy has forced sixteen-year-old Victor Frankenstein to swear off alchemy forever. He burns the Dark Library. He vows he will never dabble in the dark sciences again—just as he vows he will no longer covet Elizabeth, his brother ' s betrothed. If only these things were not so tempting. When he and Elizabeth discover a portal into the spirit world, they cannot resist. Together with Victor ' s twin, Konrad, and their friend Henry, the four venture into a place of infinite possibilities where power and passion reign. But as they search for the knowledge to raise the dead, they unknowingly unlock a darkness from which they may never return.

The first substantial study comparing Mary Shelley and Margaret Atwood, this book examines a selection of the speculative/fantastic novels of these two influential writers from the perspectives of contemporary feminist, postcolonial and science studies. Situating her readings at the troubled intersections of science, gender and history(-making), Banerjee juxtaposes Shelley ' s Frankenstein and The Last Man with Atwood ' s The Handmaid ' s Tale and Oryx and Crake in a way that respects historical difference while convincingly suggesting a tradition of ongoing socio-political critique in the work of women writers of the fantastic over the past two centuries. She offers insightful fresh readings of Shelley and Atwood, bringing out how the cognate values of technoscience and capitalistic imperialism work in tandem to foster oppressive gender ideologies, social inequity and environmental ruin. Banerjee explores how Shelley and Atwood levy powerful critiques of both positivist, masculinist science and the politico-economic proclivities of their respective times, engaging, in the process, with the meaning of the (post)human, the cultural impact of male (Romantic) egotism and the public/private division, the colonial impulse and its modern day counterpart, the patriarchal ideologies of ' love ' and motherhood, and the sexual-politics of official historiography. Combining lively, creative scholarship with theoretical rigour, the book offers a nuanced study of the ways in which Shelley ' s and Atwood ' s novels each take critical aim at some of the conventional oppositions—nature/culture, masculine/feminine, reason/emotion, art/science—that have since long defined our lives in western technoculture. The book re-opens the ' two-cultures ' debate, suggesting that Shelley ' s and Atwood ' s futuristic visions posit humanistic education and art as the ' saving graces ' that might counter the schisms and reductionism innate to the technocapitalistic world view. One highlight of the book is the way the author goes beyond a strong critical consensus on Frankenstein and reads the novel not as a denunciation of technological violation of nature but as a subversion of the thematic itself of Nature versus Culture. Similar innovative interpretations are offered on the gender question in The Last Man, and on Atwood ' s engagement with ' feminist mothering ' in Oryx and Crake.

Living among scholars in the hallowed halls of Jordan College, Lyra hears rumors of a magical dust that supposedly possesses powers that can unite whole universes, and begins a difficult and dangerous journey to find it. Reissue. Teacher's Guide available.

A thought-provoking retelling of the Gospel story from an atheist perspective. Upon its hardcover publication, renowned author Philip Pullman ' s The Good Man Jesus and the Scoundrel Christ provoked heated debates and stirred a frenzy of controversy throughout the clerical and literary worlds alike with its bold retelling of the life of Jesus Christ. In this remarkable piece of fiction, famously atheistic author Philip Pullman challenges the events of the Gospels and puts forward his own compelling and plausible version of the life of Jesus. Written with unstinting authority, The Good Man Jesus and the Scoundrel Christ is a pithy, erudite, subtle, and powerful book by a beloved author, a text to be read and reread, studied and unpacked, much like the Good Book itself. " The erudite fantasy author, Philip Pullman, makes explicit his complaint against Christian dogma with [this] challenging deconstruction of the Gospels. " —Entertainment Weekly " Inspiring . . . Again and again, [Pullman] displays a marvelous sense of the elemental power of Jesus ' s instructions and parables. " —The Washington Post
