A collection of photocopiable activities specially written for ESOL teachers, based on and clearly referenced to the Adult ESOL Core Curriculum. Take the hard work out of lesson preparation with this exclusive collection of photocopiable activities. Written by an experienced ESOL teacher, for ESOL teachers this photocopiable resource book is ideal for UK Skills for Life exams, ESOL for Work exams, Government Citizenship tests, and General ESOL courses. Each of the activities is free-standing, and comprehensive teacher's notes give a clear indication of any preparation required, as well as suggestions for differentiation. There are also self-study exercises linked to every activity, which are perfect for use as ready-made homework tasks. This book is suitable for Entry Level 3 students.

Spice up your lessons with this revised, classic collection of creative activities! Used by ESL/EFL teachers around the world, the 81 classroom-proven activities are the ideal ingredients to building and reinforcing language skills at any level. Specials on the menu include: Role simulations, Group dynamics activities, Personality analysis, Graphic experiences. Creative crossword creations, and Riddle scrambles. Each activity is brief and self-contained, making it especially helpful for the teacher who is feeling "consumed" by lesson preparation. Language points include: Asking and answering questions, Comparing information, Expressing opinions, Describing feelings, Making suggestions, Discussing problems, Notetaking, and Giving instructions. This versatile resource encourages teachers, like chefs, to add their own special flavouring, making for truly appetizing activities!

This workbook is for beginning ESOL students. The language structures were designed for immediate use in authentic, everyday situations. The lessons, activities, and worksheets build on each other and get more difficult in tiny, incremental steps. This book targets speaking and basic writing.

Provides a theoretical perspective and offers ways for making the teaching of English to speakers of other languages meaningful for both teachers and learners. Textbook for second-language methodology courses.

This practical book contains over 100 different speaking exercises, including interviews, guessing games, problem solving, role play and story telling with accompanying photocopiable worksheets.

This text gathers together 81 classroom proven strategies designed to build or reinforce the language skills of intermediate to advanced students.

This book broadens the research on the underworld of precarious and not-represented workers, through a selection of original case studies from across the globe written by leading experts. The book unveils the working conditions affecting this vast labour force that is so important to capital accumulation in the global age. It also helps us to understand the forms and processes of organization that these groups of workers, almost on an everyday basis, put in place to improve their working conditions and lived experiences.
