This second edition of Tapis Volant 1 includes an authentic context and a focus on French as a language of the Pacific and as an international language. It also incorporates the best of modern communicative methodology. There is a strong emphasis on reading and a systematic approach to grammar and vocabulary, with practice exercises and unit tests covering all skills.

Ensemble de contributions qui porte sur les vicissitudes de la traduction du chinois dans les langues européennes depuis trois siècles, sur la diversité des idiomes et des personnages impliqués. Variation aussi, de la proximité du traducteur au texte d'origine, de son empreinte propre, de son époque, du genre choisi et, bien sûr, de la langue cible – ou des langues intermédiaires. Ce parcours à travers un choix de textes littéraires, philosophiques et scientifiques illustre les enjeux réels et fantasmatiques de la relation de la Chine et de l'Europe. Il ne s'agit pas de confrontation, mais bien plutôt, à travers le processus de traduction, d'approfondissement mutuel – ce qui s'observe par exemple quand plusieurs interprétations traditionnelles du texte de

This second edition of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching from first stages to GCSE.

Completely revised and restructured in the light of a nationwide survey of Classics teachers, it provides an exciting, stimulating approach to Latin based on the reading of original texts. Parts I-III are built around a narrative detailing the life of Horace, based closely on historical sources, which helps students to develop an understanding of the times of Cicero and Augustus.

Now in its second edition, The Routledge Dictionary of Cultural References in Modern French reveals the hidden cultural dimension of contemporary French, as used in the press, going beyond the limited and purely lexical approach of traditional bilingual dictionaries. Even foreign learners

of French who possess a good level of French often have difficulty in fully understanding French articles, not because of any linguistic shortcomings on their part but because of their inadequate knowledge of the cultural references. This cultural dictionary of French provides the reader with clear and concise explanations of the crucial cultural dimension behind the most frequently used words and phrases found in the contemporary French press. This vital background information, gathered here in this innovative and entertaining dictionary, will allow readers to go beyond a superficial understanding of the French press and the French language in general to see the hidden yet implied cultural significance that is so transparent to the native speaker. This fully revised second edition includes: a broad range of cultural references from the historical and literary to the popular and classical; an enhanced analysis of punning

mechanisms used in the press; over 3,000 cultural references explained with updated examples; a three-level indicator of frequency; new and expanded chapters on the French of Quebec, institutional and academic references, and English borrowings in the areas of IT and medical science; over 600 online questions to test knowledge before and after reading. The Routledge Dictionary of Cultural References in Modern French is the ideal reference for all undergraduate and postgraduate students of French seeking to enhance their understanding of the French language. It will also be of interest to teachers, translators and Francophiles alike. French students in kh â gne, Sciences-Po and schools of journalism will also find this book valuable and relevant for their studies.
