Through onsite research, international case studies and practical experience as a G12 pastor, Joel Comiskey has discovered the secrets behind this powerful model. In this book, he not only tells you what ICM does, he also outlines the G12 principles that your church can use today.

In this book, the author explains why the traditional structure of evangelizing, assimilating and discipling leaders will never be fast enough or efficient enough to facilitate the revival that God has promised. He explains how the cell model, a simple tool in the hand of the Lord, can strengthen churches and prepare members for the rush of new believers.
