Charles Hill's Global Business Today, 8e has become the most widely used text in the International Business market because its: Current–it is comprehensive and up-to-date. Application Rich–it goes beyond an uncritical presentation and shallow explanation of the body of knowledge. Relevant–it focuses on managerial implications. Integrated–it maintains a tight, integrated flow between chapters, and incorporates ancillary resources that enliven the text and making it easier to teach. Our research has shown that students and instructors alike enjoy the interesting, informative, and accessible writing style of GBT – so much so that the writing has become Charles Hill's trademark. The author's passion and enthusiasm for the international business arena is apparent on every page. In addition to boxed material which provides deep illustrations in every chapter, Hill carefully weaves

interesting anecdotes into the narrative of the text to engage the reader.

Charles Hill's Global Business Today, 3e (GBT) has become an established text in the International Business market for its excellent, but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global environment. GBT's concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 3e through a variety of real world examples and cases from small, medium, and large companies throughout the world.

Charles Hill's Global Business Today, 4e (GBT) has become an established text in the International Business market for its excellent but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global environment. GBT's concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 4e through a variety of real world examples and cases from small, medium, and large companies throughout the world

This book demonstrates how the theories and insights of anthropology have positively influenced the conduct of global business and commerce, providing a foundation for understanding the impact of culture on global business, and global business on culture.

For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

A nation's economic success depends on the capacity of its companies and trading organizations to develop business relationships, trade and do business in the international arena. Doing business across borders subtly changes the processes and skills the successful manager needs. Cultural, social, geographic and legal factors serve to complicate the picture. The mantra for managers today is think global, act local. In this handbook the authors concentrate on the big developments that currently are happening at an international level. They consider how managers operating in the global business landscape must change what they do to create advantages and remain competitive. The Global Business Handbook is based on the structure of the very successful IÉSEG International School of Management's programme on international management. It includes a global focus, backed by the latest research on different aspects of international business carried out in different parts of the world.

Discover success in global business today with the most strategic approach to international business topics and unique coverage not found in other books. GLOBAL BUSINESS, 4th Edition, is the first global business book that answers the big question, What determines the success and failure of firms around the globe? Globally renowned scholar and author Mike Peng integrates both an institution-based view and resource-based view throughout every chapter, bringing an unparalleled continuity and strategic approach to the learning process. The book combines an inviting, conversational style with the latest research and examples that reflect the most recent global developments. A wealth of business cases from Mike Peng and other respected international experts delve into how companies throughout the world have expanded globally. All-new video cases that cover every chapter's opening case and closing case, world maps that connect geography and culture to business decisions, and unique global debate sections that draw you into cutting-edge international discussions help you learn to think independently and view business challenges from a truly global perspective. With GLOBAL BUSINESS, 4th Edition, you view business through the eyes of a true world citizen and gain the understanding you need to become an effective manager within today's global business landscape. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This completely revised edition of a popular text combines text, readings and case studies to help readers develop the knowledge, perspective and skills they need in order to conduct global business successfully. Includes a unique combination of text, readings and case studies to help readers understand the practice of global business and management. Features a new, field-tested framework for improving cross-cultural communications. This edition includes new, and updated case studies covering a range of industries of different sizes, in almost every continent.
