Globalization **Wikipedia**

Globalization makes it easier than ever to access foreign culture, including food, movies, music, and art. This free flow of people, goods, art, and information is the reason you can have Thai food delivered to your apartment as you listen to your favorite UK-based artist or stream a Bollywood movie.

Globalization Benefits and Challenges

Globalization is the spread of products, technology, information, and jobs across nations. Corporations in developed nations can gain a competitive edge through globalization.

Globalization Definition

Globalization was largely seen as a win-win mechanism for both developed and developing countries. Central to globalization has been the expansion of global value chains or the breaking up of the production process into a series of geographically separated steps. Some, such as design and marketing, were retained in developed countries.
