Going Solo is the action-packed tale of Roald Dahl's exploits as a World War II pilot. Learn all about his encounters with the enemy, his worldwide travels, the life-threatening injuries he sustained in a plane accident, and the rest of his sometimes bizarre, often unnerving, and always colorful adventures.

In *Going Solo*, the world's favourite storyteller, Roald Dahl, tells of life as a fighter pilot in Africa. 'They did not think for one moment that they would find anything but a burnt-out fuselage and a charred skeleton, and they were astounded when they came upon my still-breathing body lying in the sand nearby.' In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa, hoping to find adventure far from home. However, he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF. His account of his experiences in Africa, crashing a plane in the Western Desert, rescue and recovery from his horrific injuries in Alexandria, flying a Hurricane as Greece fell to the Germans, and many other daring deeds, recreates a world as bizarre and unnerving as any he wrote about in his fiction. 'Very nearly as grotesque as his fiction. The same compulsive blend of wide-eyed innocence and fascination with danger and horror' *Evening Standard* 'A non-stop demonstration of expert raconteurship' *The New York Times Book Review* Roald Dahl, the brilliant and worldwide acclaimed author of *Charlie and the Chocolate Factory*, *James and the Giant Peach*, *Matilda*, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, *Roald Dahl's Twisted Tales* by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

From the author of *The BFG*, *Matilda*, *James and the Giant Peach*, *Willy Wonka and the Chocolate Factory*, and many more beloved classics—a whimsical, witty, and revealing collection of the legendary children's author and writer Roald Dahl's letters written to his mother, from early childhood through Dahl's travels to Africa, his career in the Royal Air Force, his work in post-war Washington, D.C., and Hollywood, and the books that made him a literary star. Roald Dahl penned his first letter to his mother, Sofie Magdalene, when he was just nine years old. The origins of a brilliantly funny, subversive, creative mind were evident in boarding school, and as he entered adulthood, his penchant for storytelling emerged in his missives home from Africa, where he was stationed by Shell Oil, and then the desert camps of the Royal Air Force. His skills were sharpened after a plane crash in Egypt landed him in Washington, D.C., where his cheery letters home were cover for his work in the British Secret Service, along with gossipy updates on his spontaneous

rise in Hollywood and his budding New York literary career. His mother was, in many ways, Dahl's first reader, and without her correspondence he might never have become a writer. Sofie Magdalene kept every letter her son wrote to her (sadly, her own side of the correspondence did not survive). It was she who encouraged him to tell stories and nourished his desire to fabricate, exaggerate, and entertain. In these letters, Dahl began practicing his craft, developing the dark sense of humor and fantastical imagination that would later produce his timeless tales. The author of *James and the Giant Peach*, *Charlie and the Chocolate Factory*, *Matilda*, and *The BFG*, Dahl is known by millions the world over today. But, writing candidly to the person who knew him best, Dahl was as singular a character as any he created on paper. Assembled by Dahl's authorized biographer Donald Sturrock, *Love from Boy* is a remarkable collection of never-before-published writing that spans four decades and chronicles the remarkable, unpredictable life of its author. While Dahl's books remain bestselling favorites for all ages, *Love from Boy* provides an unprecedented glimpse of the author through his own eyes—a life punctuated by tragedy, creative stagnation, unexpected fame, and fantastic adventure.
