Short and Simple Description and deeply explained the Fundamental concepts.

This book is the work of almost 3.5 years of my academic career. The book focuses on the way of starting a new export and import business. The entire book is divided into four main modules. The 1st module discusses about the role of export import in developing country like India, the current scenario of the Export and import in India, Categories of Exporters and Preliminaries of starting an Export and Import Business in India. The 2nd module discusses about the registration process of Exporters and importers, registration with Export Promotion council, Registration cum membership certificate, registration with government bodies relating to the Export and import business. The 3rd module discusses about the detailed registration process of central excise, assessment of the central Excise, mode of payment of central excise, CENVAT credit, arranging for the import finance and export finance and the EXIM bank. The 4th Module discusses about the Scrutiny of the Import and export documents, Methods of payment, Exchange rate, forward market, Custom
