"Involving students in real historical problems that convey powerful lessons about U.S. history, these thought-provoking activities combine core content with valuable practice in decision making, critical thinking, and understanding multiple perspectives. O'Reilly - an experienced, award winning teacher - has students tackle fascinating historical questions that put students in the shoes of a range of people from the past, from the rich and famous to ordinary citizens. Each lesson can be done either as an in-depth activity or as a "quick motivator." Detailed teacher pages give step-by-step instructions, list key vocabulary terms, offer troubleshooting tips, present ideas for post-activity discussions, and furnish lists of related sources. Reproducible student handouts clearly lay out the decision-making scenarios, provide "outcomes," and present related primary source readings and/or images with analysis questions"--Page 4 of cover.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “ Extraordinary . . . an act of courage and self-invention. ” —The New York Times NAMED ONE OF THE TEN BEST BOOKS

OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA ' S FAVORITE BOOKS OF THE YEAR • BILL GATES ' S HOLIDAY READING LIST • FINALIST: National Book Critics Circle ' s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara ' s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she ' d traveled too far, if there was still a way home. “ Beautiful and propulsive . . . Despite the singularity of [Westover ' s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up? ” —Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

Additional reading and writing. A cross-curricular theme based book for Key Stage 1 and 2 (19 other titles also available in series).
