'Handplane Essentials' - New Review and New Sale | Popular ...

I got so many contradicting opinions that the more I listened and read the more confused I got. That is when Chris Schwarz and 'Handplane Essentials' came into the picture. "In the book, Chris helped me understand that I don't have to be a hand tool purist, I can mix and match power tools with hand tools AND he told me how to do this.

A Customer Review: 'Handplane Essentials' | Popular ...

During the last few months I've been revising "Handplane Essentials," an out-of print book that we published while I was the editor at Popular Woodworking Magazine. The revisions, additions and subtractions will be significant. We're removing a lot of the reviews and features on planemakers who are no longer in business.

Revising 'Handplane Essentials' | Popular Woodworking Magazine

After hours and hours and hours of work (please, some kind soul, send Vodka), I was finally able to get "Handplane Essentials," by Christopher Schwarz, into a PDF format that plays nice with all PDF-equipped eReaders.. The Boring Stuff This is more information that you no doubt want, but the problem seems to be that the iPad doesn't support the industry-standard picture compression format.

'Handplane Essentials' - Now Available in Byte Size ...

When Scott Francis at Popular Woodworking Books asked me to revise my 2009 book "Handplane Essentials," I thought it would be a short job. The plan was to add a handful of articles I'd written on specialty planes and update the text to accurately reflect toolmakers who had entered or left the market since the book was first published.

The Making of 'Handplane Essentials, Revised Edition ...
