A modern classic first published in 1978, Happy All the Time is as much a sophisticated romantic comedy about the love between two partners as it is a novel about the powerful bonds shared by family members, friends, colleagues and confidants. Customers Who Bought This Item Also Bought

Happy All the Time by Laurie Colwin - Goodreads

A witty modern-day classic about two unique couples discovering universal truths about love and marriage from [a wise, bighearted writer] (The Washington Post). Guido Morris and Vincent Cardworthy are third cousins and best friends. In college they dreamed of writing poetry (Guido) and winning the Nobel Prize in Physics (Vincent). Now in their late twenties, they are together again in Cambridge and on the verge of settling down to more prosaic pursuits. Vincent is headed to New York City to become the Board of City Planning's expert on garbage, while Guido is preparing to take over the management of his family's foundation. What they really want to know, however, is who their wives will be. Guido gets the first inkling of his romantic future when he spies a girl with the blackest, sleekest hair he has ever seen sitting on a bench at the Fogg Museum. When he tries to flirt with her, Holly Sturgis makes a cutting remark and leaves. For Guido, it is love at first sight. Vincent discovers Misty Berkowitz one morning at work. Stirring her coffee with a fountain pen, she tells him to get the hell away from her. Soon, cheerful, open-minded Vincent can't stop thinking about his bored, misanthropic, and very pretty colleague. Guido, Holly, Vincent, and Misty are lucky enough to find love. The question is, are they smart enough to hold on to it? From the terrifying uncertainty of courtship to the dull contentment of marriage, Happy All the Time is a dazzling tribute to the hard work and real courage it takes to create a storybook romance. This ebook features an illustrated biography of Laurie Colwin including rare photos and never-before-seen documents from the author's estate.

This delightful comedy of manners and morals is about romantic friendship, romantic marriage, and romantic love--about four people who are good-hearted and sane, lucky and gifted, and who find one another. Knowing that happiness is an art form that requires energy, discipline, and talent, Guido, Holly, Vincnt, and Misty deal with jealousy, estrangement, and other perils involved in the search for love. []If anyone wrote eloquently and magnificently about affairs of the heart, it was Laurie Colwin. []San Francisco Chronicle At first glance, Polly Solo-Miller Demarest appears to have it all. The only daughter of a distinguished and close-knit family, she marries a handsome lawyer named Henry (just like her father and brother) and has two adorable and well-behaved children, Pete and Dee-Dee. She lives in a comfortable Park Avenue apartment, works three days a week in a rewarding job at the Board of Education, and spends every August in Maine. People regularly tell her, with admiration and envy, that she has life aced. What no one suspects is that this perfect daughter, wife, and mother, always so eager to see to the happiness of others, would be willing to risk everything for love. From the moment she encounters his beautiful portraits in a group show, Polly cannot get Lincoln Bennett out of her mind. Soon she and the solitary, kindhearted painter are wrapped up in a deep and thrilling romance, and Polly has never felt more euphoric or more terrified. Previously she divided women into two groups|those who have affairs and those who do not|and placed herself firmly in the latter category. How could she have been so wrong? And what does her passion for Lincoln say about the genuine pleasure she takes in her marriage and her family? A sophisticated, sincere, and ultimately hopeful novel about the search for fulfillment, Family Happiness is a testament to the clarity of Laurie Colwin's vision and the elegance of her craft. This ebook features an illustrated biography of Laurie Colwin including rare photos and never-before-seen documents from the author's estate.

The enchanting and insightful story of a woman trying to reconcile her rock-and-roll past with her respectable present When Geraldine Colshares drops out of graduate school to become the only white backup singer in an R&B band, nobody thinks it is a good idea. Not her parents, who are sure she is on drugs. Not her best friend, who sees going on tour as a way of staving off real life. Not even Doo-Wah Banks, her Juilliard-trained bandmate and crush, who suggests she find a nice white husband. But to be a Shakette|as in Vernon and Ruby Shakely and the Shakettes|has been the burning desire of Geraldine's heart since puberty, and when she steps on stage in her chartreuse dress and luminescent shoes, she knows she is exactly where she belongs. All good things must come to an end, however, and after two years on the road Geraldine quits the band and settles down to the kind of conventional routine|marriage, children, dinner parties|she never expected. To her family and friends, Geraldine seems to have it all, but the question remains: Once you've been a Shakette, will anything else ever feel so right? A hilarious and touching novel about staying true to yourself while moving on with life, Goodbye Without Leaving stars one of Laurie Colwin's most distinctive and delightful heroines. This ebook features an illustrated biography of Laurie Colwin including rare photos and never-before-seen documents from the author's estate.

[]Witty, literate and intelligent[] linked stories that follow an extramarital affair from beginning to end, by the author of Happy All the Time (The New York Times Book Review). Josephine []Billy[] Delielle and Francis Clemens are sleeping together. Both are economists and both are married to other people, but the similarities end there. He is fastidious; she is a slob. He delights in good food and fine wine; her refrigerator is always empty. He is old and sentimental; she is young and tough minded. This is not his first extramarital dalliance; she never imagined it was possible to love anyone but her husband. The desire that Billy and Francis feel for each other is as inexplicable as it is undeniable, and the moments they steal together are electrifying, tense, and reassuring all at once. Told from the alternating perspectives of two adulterous lovers, Another Marvelous Thing is an exquisitely crafted story collection that tackles the thorniest of subjects with honesty, grace, and humor. This ebook features an illustrated biography of Laurie Colwin including rare photos and never-before-seen documents from the author's estate.

The critically acclaimed, award-winning, modern classic Speak is now a stunning graphic novel. "Speak up for yourself[]we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless|an outcast|because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's Speak: The Graphic Novel comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

Weaving together memories, recipes, and wild tales of years spent in the kitchen, Home Cooking is Laurie Colwin's cookbook manifesto on the joys of sharing food and entertaining. []As much memoir as cookbook and as much about eating as cooking. []The New York Times Book Review From the humble hotplate of her one-room apartment to the crowded kitchens of bustling parties, Colwin regales us with tales of meals gone both magnificently well and disastrously wrong. Hilarious, personal, and full of Colwin's hard-won expertise, Home Cooking will speak to the heart of any amateur cook, professional chef, or food lover.

This is how a family keeps a secret...and how that secret ends up keeping them. This is how a family lives happily ever after...until happily ever after becomes complicated. This is how children change...and then change the world. When Rosie and Penn and their four boys welcome the newest member of their family, no one is surprised it's another baby boy. At least their large, loving, chaotic family knows what to expect. But Claude is not like his brothers. One day he puts on a dress and refuses to take it off. He wants to bring a purse to kindergarten. He wants hair long enough to sit on. When he grows up, Claude says, he wants to be a girl. Rosie and Penn aren't panicked at first. Kids go through phases, after all, and make-believe is fun. But soon the entire family is keeping Claude's secret. Until one day it explodes. Laurie Frankel's This Is How It Always Is is a novel about revelations, transformations, fairy tales, and family. And it's about the ways this is how it always is: Change is always hard and miraculous and hard again; parenting is always a leap into the unknown with crossed fingers and full hearts; children grow but not always according to plan. And families with secrets don't get to keep them forever.

In this dazzling collection of stories, Laurie Colwin masterfully weaves together tales of love|and desire|in all its forms. The Lone Pilgrim explores the universal complications of the heart|and the mysteries of being fully human in the world. In these thirteen stories, a book illustrator is enamored with her publisher, as she pines for her previous lover; a photographer recovering from her second marriage in far-off Inverness, Scotland, befriends a college student new to romance; two academics conducting a long distance affair are reunited, only to find that their circumstances have changed dramatically; and the perpetually stoned young wife of a popular college professor struggles to tell her husband that she's been high since the day they met. Humorous, tender, and moving, The Lone Pilgrim is the work of a master of the short story form.

Two professional training consultants explain how readers can create their own personal definition of happiness and how they can make happiness a central goal in life, illuminating nine fundamental principles that can transform one's attitudes, goals, and experiences. Reprint.
