IXL | Learn 5th grade social studies

The big ideas in Fifth Grade Social Studies include United States History and Geography, specifically, the development of the American nation. The learning focuses on the influence of physical and cultural environment on national origins, growth, and development. Students learn about the founding of colonial governments, the ideals of the Enlightenment, and the English tradition of self-government, as well as how the principles of the American republic form the basis of a pluralistic society ...
