Harley epitomizes hardcore punk rock that began for him at a very early age. Here's his controversial story.

As a homeless child prodigy, Harley Flanagan played drums for bands at Max's Kansas City

Online Library Hard Core Life Of My Own

and CBGBs, and was taught to play bass by the famed black band Bad Brains, and drank with the notorious Lemmy of Motörhead. Most famously, Harley became a member of the famous hardcore band The Cro-Mags, and disputes accusations of stabbing two band members.

If Steve Earle weren't a living, breathing person, he'd be a character in a blues song -- a raucous ballad about a gifted rebel who drank too much, lost most of his women in a blizzard of crack and cocaine addiction, and always came out on the wrong side of the law.

Online Library Hard Core Life Of My Own

Somewhere in the midst of all this, he also managed to weld rock to country, the Beatles to Springsteen, and bluegrass to punk, establishing himself among the most thoroughly original and politically astute musicians of his generation. Granted unrestricted access to Steve and his family and friends, Lauren St John has given us a sometimes shocking, often moving, and completely unvarnished biography of one of America's most talismanic sons.

WHY ARE YOU SO UNLUCKY AT LOVE? You've been a good person. Done all the "right things."

Online Library Hard Core Life Of My Own

You've gone to school. You have a good job. You have a good life, but no one to SHARE it with. The truth is "Luck" has nothing to do with it AND you didn't fail at Love. On hard core pornographic cinema.

"Miret's captivating and harrowing, no-holds-barred account of a life lived in the trenches . . . You don't have to be a major Agnostic Front fan to get maximum enjoyment out of this book. . . . A compelling read." ?Classic Rock Revisited "Miret's memorable, affecting stories capture an important time in the hardcore music scene. . . . Equal

Online Library Hard Core Life Of My Own

parts music memoir and gritty coming-of-age story, it's an eminently readable and fast-paced look at life during hardcore's heyday. . . . Not just for music fans, My Riot is a valuable snapshot of an important time."

?Foreword Reviews "My Riot is a powerful and riveting read. A brutal look into the life of a man that did what he had to do to survive."
?Scott Ian, Anthrax Born in Cuba, Roger Miret fled with his family to the US to escape the Castro regime. Through vivid language and graphic details, he recounts growing up in a strange new land with a tyrannical stepfather and the roles that poverty and violence

Online Library Hard Core Life Of My Own

played in shaping the grit that became critical to his survival. In his teen years, he finds himself squatting in abandoned buildings with unforgettably eccentric runaways and victims of similar childhood trauma. With like-minded misfits he helps pioneer a new musical genre, but with money scarce and commercial success impossible, he turns to running drugs to support his family and winds up in prison. It's the ultimate test of his toughness and perseverance that eventually sets him on a path towards redemption. My Riot is both an unflinching portrait of downtown New York in the 1980s

Online Library Hard Core Life Of My Own

and a testament to the perils of growing up too fast. "It's a great read, tracing the roots of New York Hardcore via lots of crazy stories about potentially deadly situations. . . . Pick up this book and take a walk back in time through the Lower East Side when it was still a hair-raising adventure." ?D.
Randall Blythe, Lamb of God

POST is a look at how post-hardcore/emo music developed since its unintentional inception in the mid-1980s. With each chapter broken up by influential band or label, it focuses on a broad style of independent music that

Online Library Hard Core Life Of My Own

developed because of the Do-It-Yourself (DIY) ethic. Focusing on bands like Fugazi, Jawbox, Jawbreaker, Sunny Day Real Estate, Braid, the Promise Ring, Hot Water Music, the Get Up Kids, At the Drive-In, and Jimmy Eat World, as well as labels like Dischord, Jade Tree, and Vagrant, these bands and labels came from the ideas of DIY and sustained them. In turn, they inspired plenty that came after them. Looking at the surroundings and circumstances from where they came, this a look at the bonds that formed and the music that came out. ". . . a gripping, Our Band Could Be Your Life-style narrative," - Aaron Burgess,

Online Library Hard Core Life Of My Own

writer for Alternative Press and Revolver.

Long before he became 'Hardcore Holly,' Robert Howard was a fighter. From humble beginnings to fame as an internationally known superstar, The Hardcore Truth tells the story of Bob's life including his 16 years working for Vince McMahon. In this rollercoaster tale of success and frustration, replete with missed opportunities, broken promises and a broken neck, Bob shares his uncompromising views on the present wrestling landscape with fascinating insights into the world leader in

Online Library Hard Core Life Of My Own

sports entertainment.

Zen, plain and simple, with no BS. This is not your typical Zen book. Brad Warner, a young punk who grew up to be a Zen master, spares no one. This bold new approach to the "Why?" of Zen Buddhism is as strongly grounded in the tradition of Zen as it is utterly revolutionary. Warner's voice is hilarious, and he calls on the wisdom of everyone from punk and pop culture icons to the Buddha himself to make sure his points come through loud and clear. As it prods readers to question everything, Hardcore Zen

Online Library Hard Core Life Of My Own

is both an approach and a departure, leaving behind the soft and lyrical for the gritty and stark perspective of a new generation. This new edition will feature an afterword from the author.

Punk rock and mental health have been intertwined since the very beginning. Nervous breakdowns, anxiety, seeking acceptance, attempting to overcome internalized demons, and reacting to harmful and oppressive systems—punk rock embodies and emboldens all our feelings and experiences, positive and negative. Hardcore Anxiety charts and tracks

Online Library Hard Core Life Of My Own

punk movements from the 70s till today, from small towns to stadiums, from the struggles in our heads to the people actively harming us in our communities. Told from the point of view of a young man discovering punk and working through mental illness in Evansville, Indiana, this stunning nonfiction graphic novel gives punks the most important advice of all: "You aren't alone. You're going to make it through alive."
