Want to cover EVERYTHING on the NCLEX-RN? HESI can help! The HESI Comprehensive Review for the NCLEX-RN® Examination, 5th Edition provides a comprehensive, all-in-one review of the information you need to know to not only succeed on the NCLEX-RN exam but also on your program's HESI exit exam. Written in an easy-to-read outline format, this trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-RN exam. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 700 practice questions in both study and exam formats to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-RN exam. 700 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the exit and NCLEX exams. Chapters organized by clinical area enables you to easily search for various topics to review. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-RN exam. Critical thinking study questions (with rationales) reinforce key concepts and content. Fill-in-the-blank and prioritizing questions mirror the new alternate item format item types included on the NCLEX-RN exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-RN exam. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Updated content reflects the latest NCLEX-RN test plan. NEW! Updated medications and nursing interventions have been added based on the latest evidence-based practice. NEW! Revised chapter on pediatric nursing includes an updated immunization chart, referral websites, and new content on children with disabilities and chromosomal and genetic syndromes. NEW! Revised chapter on maternity nursing features updated CPR guidelines and medications for neonatal cardiac arrest, as well as new HESI Hints that reflect new modalities such as fetal cell-DNA analysis and current screening tools. NEW! Revised chapter on psychiatric nursing includes new information on autism spectrum disorders, as well as updates on DSM 5 changes. NEW! Revised chapter on geriatrics features new content on polypharmacy in the elderly, the Geriatric Depression Scale as an assessment tool, the Mini-Cog tool for mental status assessment, and new information on elder mistreatment in various settings.

Second edition titled: Evolve Reach comprehensive review for the NCLEX-RN examination.

Use proven strategies to prepare for nursing school tests and the NCLEX® exam! Saunders 2022-2023 Clinical Judgment and Test-Taking Strategies: Passing Nursing School and the NCLEX® Exam, 7th Edition provides tools to help you overcome test anxiety, develop study skills, and improve test scores. You'll gain insight into key nursing areas such as clinical judgment, prioritization, leading and managing, communication, and pharmacology. In the book and on the Evolve website, 1,200 practice questions represent all question types — including alternate item formats and new Next Generation NCLEX®-style test items. Written by leading NCLEX experts Linda Anne and Angela Silvestri, this essential resource offers the practical tips and realistic practice you need to succeed on any exam! Test-taking strategies help students find the correct answer to all types of test questions. Pyramid Points identify content that is important to know in preparing for the NCLEX® examination. Fun, full-color design features lots of sample questions, cartoons, and bold designs to help engage visual learners. 1,200 practice questions are included in the book and on the Evolve website, with each illustrating a test-taking strategy and including the correct answer, rationales for correct and incorrect options, a tip for the nursing student, and question codes. Categorization of questions by beginning, intermediate, or advanced level makes this book a useful tool throughout the nursing program. UNIQUE! Tip for the Nursing Student is provided with every practice question to help students learn content, develop clinical judgment, and master test-taking skills. UNIQUE! Student-to-Student Tips highlight real-life strategies that have helped other students successfully complete nursing school and pass the NCLEX® exam. Practice question categories on Evolve include the level of cognitive ability, client needs, integrated process, clinical judgment/cognitive skill, content area, priority concepts, alternate item formats, and strategy. NEW! Next Generation NCLEX® (NGN) case studies and practice questions are included on the Evolve website, preparing students for the changes to the NCLEX® exam.

The ultimate active-learning environment is here! Nursing Concepts Online Essentials for RN 2.0™ "combines all of Elsevier's top conceptual learning tools into one easy-to-use course format. This new edition comes with a wide assortment of evaluative capabilities to help you hone your critical thinking skills and apply your knowledge of nursing concepts and exemplars to clinical practice. Plus, a single access code gives you access to newly enhanced video skills, concept-based case studies, adaptive mastery quizzes, priority exemplar links, and more!

HESI and Saunders, the most trusted names in NCLEX® exam preparation, are teaming up to bring you the ultimate online review resource! Combining the testing expertise of HESI with the market-leading nursing content of Saunders, HESI/Saunders Online Review for the NCLEX-RN® Examination provides the most interactive, individualized review available for the NCLEX® exam. This one-of-a-kind test prep tool offers a wealth of illustrations, animations, and audio, plus strategic HESI Live Review videos to help clarify key concepts and keep you motivated to study. Furthermore, a pre-assessment test creates a personalized study calendar that is tailored to your individual review needs and guides you through 10 interactive modules of nursing content, review, and 2,500 NCLEX® exam-style practice questions. With a cost that's a fraction of similar NCLEX® exam prep resources, HESI/Saunders offer the best, most effective review bang for your buck! Completely up-to-date content reflects the newest NCLEX-RN® test plan A Test-Taking Strategies Overview provides reliable and innovative insights into the NCLEX exam and its various question types Ten self-paced review modules are organized by Client Needs, the blueprint of the NCLEX test plan, featuring: 50 Lessons that provide a complete review of nursing content Quizzes and Self-Check Questions that strengthen your understanding Case Studies that help you apply your knowledge to real-world scenarios Animations, illustrations, audio, and video that enhance key content by demonstrating skills and procedures Strategic HESI Videos simulate an actual HESI Live Review course, with an experienced nursing instructor explaining challenging topics and walking you through difficult questions 2,500 high-quality practice questions, including: A 75-question Pre-Test that assesses your individual strengths and weaknesses and generates a personalized study calendar A 75-question Post-Test that measures your growth from the start of the course Ten 100-question Module Exams that evaluate your mastery of core nursing content Five 100-question Crossing the Finish Line Practice Exams that reinforce your readiness for the big test A 265-question Comprehensive Exam that makes sure you're completely prepared for the NCLEX exam Additional questions and quizzes in the modules Rationales and Test-Taking Strategies are provided with every question Alternate Item Formats are fully supported, including: Multiple Response Prioritization/Ordered Response Fill-in-the-Blank Figure/Hot Spot Graphic Option Chart Audio Video Exam Reports demonstrate your performance on measures of Content Area, Client Needs category, Integrated Process, Level of Cognitive Ability, and overall score. Learning system functionality available for classroom use, including an announcements page, discussion board, online grade book, and more.

A comprehensive, all-in-one review of the information you need to know to pass your nursing exams! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN® Examination, 6th Edition prepares you for success on both the HESI exit exam and the NCLEX-PN®. This trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-PN® exam, so you can easily search for various topics to review. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 750 practice questions, including alternate item formats, in both study and exam modes to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-PN® exam. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-PN® exam. 750 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the HESI exit exam and the NCLEX-PN® exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-PN® exam. Critical thinking study questions with rationales reinforce key concepts and content. Chapters organized by clinical area enable you to easily search for various topics to review. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Thoroughly updated content incorporates clinical updates and reflects the latest NCLEX-PN® test plan. EXPANDED! 200 additional NCLEX practice questions on the Evolve site assist you with practice.

Passing the HESI Admission Assessment Exam is the first step on the journey to becoming a successful healthcare professional. Be prepared to pass the exam with the most up-to-date HESI Admission Assessment Exam Review, 5th Edition! From the testing experts at HESI, this user-friendly guide walks you through the topics and question types found on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions as well as step-by-step explanations, illustrations, and comprehensive practice exams to help you review various subject areas and improve test-taking skills. Plus, the pre-test and post-test help identify your specific weak areas so study time can be focused where it's needed most. HESI Hints boxes offer valuable test-taking tips, as well as rationales, suggestions, examples, and reminders for specific topics. Step-by-step explanations and sample problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-

read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions.

This one-of-a-kind workbook dedicated to developing clinical judgment skills helps prepare you for the Next-Generation NCLEX® Exam (NGN) through practical thinking exercises in which you will apply the National Council of State Boards of Nursing (NCSBN) Clinical Judgment Model (CJM). A comprehensive collection of carefully developed clinical reasoning exercises range from basic to more complex and address all specialty areas. Answer key with robust rationales to remediate learning follows at the end of the book. Six-part organization guides you through the entire NGN test plan. Answer questions in the book itself or on a companion Evolve website for automated scoring and remediation.

Reflecting the latest practices in the field, Clinical Decision Making: Case Studies in Medical-Surgical Nursing, 2nd edition bridges the gap between classroom knowledge and clinical application. Emphasizing holistic nursing care, this resource helps nursing students sharpen their critical thinking skills and gain experience applying what they have learned. The more than 40 medical-surgical case histories and related questions, and responses are based on real-life client situations. Every case contains an introductory blueprint of variables that must be considered while evaluating a particular scenario concerning the client, nursing protocol, and setting of care. Each blueprint and case is different, just as each clinical situation is unique. As learners simulate the actual decision-making process, they gain valuable experience making informed clinical judgments that will help them become successful nurses. Categorized by complexity, the book appeals to a broad range of learning levels and styles. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
