Like many of Vonnegut's novels, Hocus Pocus uses a non-linear narrative and has a plot centered on a major event heavily alluded to until the final chapters. The main character is Eugene Debs Hartke , a Vietnam War veteran, college professor , and carillonneur who realizes that he has killed exactly as many people as the number of women he has had sex with.

Hocus Pocus (novel) - Wikipedia  
Hocus Pocus is ample proof that his literary prestidigitation can still amuse and delight."-San Francisco Chronicle "Irresistible...Hocus Pocus is vintage Vonnegut, witty, startling, satiric...off-the-wall brilliance. Vonnegut is a true original. Hocus Pocus is not only poignant and provocative, it is outrageous and very funny indeed. If Luck and Time are the two prime movers of the Universe, we are lucky in our time to have a Kurt Vonnegut to prod us, scold us, astonish us, unnerve us ...

Hocus Pocus by Kurt Vonnegut, Paperback | Barnes & Noble®  
I came upon Kurt Vonnegut is the most unusual way, I found Hocus Pocus in a box left in the attic from the previous tenant of a lake house in Lincoln City, Oregon. Now, being a kid from the 1980's when I saw "Hocus Pocus" I thought of the Disney Movie, in fact I thought this book might be novel version of the film, well, it's not, and reading it changed my life.

Amazon.com: Hocus Pocus (Audiible Audio Edition): Kurt ...  
'Although it is set in the near future, Hocus Pocus is the most topical, realistic Vonnegut novel to date, and shows the struggle of an artist a little impatient with allegory and more than a little impatient with his own country' - New York Times Book Review Some get all the luck - but not Eugene Debs Hartke.

Vonnegut, Kurt Hocus Pocus | eBay  
Hocus Pocus was a bit wide at the hips. Vonnegut was covering a lot of ground with this novel. He was looking at issues of race, war, economics, politics, education, money, culture, prison reform, ptsd, marriage, death, intimacy, and more. There were a lot of little punches by Vonnegut, but none were knockouts.

TIMEQUAKE Kurt Vonnegut was born in Indianapolis in 1922 and Studied biochemistry at Cornell University.

Tarkington College, a small, exclusive college in upstate New York, is turned upside down when ten thousand prisoners from the maximum security prison across Lake Mohiga break out and head for the college

From the New York Times bestselling author of Slaughterhouse-Five comes an irresistible novel that combines "clever wit with keen social observation...[and] re-establishes Mr. Vonnegut's place as the Mark Twain of our times" (Atlanta Journal & Constitution). Here is the adventure of Eugene Debs Hartke. He's a Vietnam veteran, a jazz pianist, a college professor, and a prognosticator of the apocalypse (and other things Earth-shattering). But that's neither here nor there. Because at Tarkington College—where he teaches—the excrement is about to hit the air-conditioning. And it's all Eugene's fault.

A New York Times Notable Book from the acclaimed author of Slaughterhouse-Five, Breakfast of Champions, and Cat's Cradle. At 2:27pm on February 13th of the year 2001, the Universe suffered a crisis in self-confidence. Should it go on expanding indefinitely? What was the point? There's been a timequake. And everyone—even you—must live the decade between February 17, 1991 and February 17, 2001 over again. The trick is that we all have to do exactly the same things as we did the first time—minute by minute, hour by hour, year by year, betting on the wrong horse again, marrying the wrong person again. Why? You'll have to ask the old science fiction writer, Kilgore Trout. This was all his idea.

A never-before-seen collection of deeply intimate love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter and reproduced in gorgeous full color. "If ever I do write anything of length—good or bad—it will be written with you in mind." Kurt Vonnegut's oldest daughter, Edith, was cleaning out her mother's attic when she stumbled upon a dusty box. Inside were more than two-hundred love letters written by Kurt to Jane, spanning the early years of their relationship: from 1941, when nineteen-year-old Kurt heads off to college, to his deployment to Europe in 1944 and the couple's marriage in 1945. The letters are full of the humor and wit that we have come to associate with Kurt Vonnegut. But they also show more private corners of his mind—Passionate and tender, the letters form an illuminating portrait of a young soldier's life in World War II as he attempts to come to grips with love and mortality. And they expose the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him, and they had no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith's insights and family memories, Love, Kurt is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.

From Slapstick's "Turkey Farm" to Slaughterhouse-Five's eternity in a Traifamadorean zoo cage with Montana Wildhack, the question of the afterlife never left Kurt Vonnegut's mind. In God Bless You, Dr. Kevorkian, Vonnegut skips back and forth between life and the Afterlife as if the difference between them were rather slight. In thirty odd "interviews," Vonnegut trips down "the blue tunnel to the pearly gates" in the guise of a coving reporter for public radio, conducting interviews: with Salvatore Bligini, a retired construction worker who died of a heart attack while rescuing his schneider from a pit bull, with John Brown, still smoldering 140 years after his death by hanging, with William Shakespeare, who rubs Vonnegut the wrong way, and with socialist and labor leader Eugene Victor Debs, one of Vonnegut's personal heroes. What began as a series of ninety-second radio interludes for WNYC, New York City's public radio station, evolved into this provocative collection of musings about who and what we live for, and how much it all matters in the end. From the original portrait by his friend Jules Feiffer that graces the cover, to a final entry from Kilgore Trout, God Bless You, Dr. Kevorkian remains a joy.

The New York Times bestseller from the author of Slaughterhouse-Five—a "gripping" posthumous collection of Kurt Vonnegut's previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, Armageddon in Retrospect is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today's world. Includes an Introduction by Mark Vonnegut

"[Vonnegut] at his wildest best."-The New York Times Book Review Eliot Rosewater—drunk, volunteer fireman, and President of the fabulously rich Rosewater Foundation—is about to attempt a noble experiment with human nature . . . with a little help from writer Kilgore Trout. God Bless You, Mr. Rosewater is Kurt Vonnegut's funniest satire, an etched-in-acid portrayal of the greed, hypocrisy, and follies of the flesh we are all heir to. "A brilliantly funny satire on almost everything."-Conrad Aiken "[Vonnegut was] our finest black humorist. . . . We laugh in self-defense."-The Atlantic Monthly

"Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist."-Time Mother Night is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. "A great artist."-Cincinnati Enquirer "A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!"-Commonweal

"[Kurt Vonnegut] is either the funniest serious writer around or the most serious funny writer."-Los Angeles Times Book Review In this self-portrait by an American genius, Kurt Vonnegut writes with beguiling wit and poignant wisdom about his favorite comedians, country music, a dead friend, a dead marriage, and various cockamamie aspects of his all-too-human journey through life. This is a work that resonates with Vonnegut's singular voice: the magic sound of a born storyteller mesmerizing us with truth. "Vonnegut is at the top of his form, and it is wonderful."-Newsday

"The master at his quirky, provocative best."-Cosmopolitan Deadeye Dick is Kurt Vonnegut's funny, chillingly satirical look at the death of innocence. Amid a true Vonnegutian host of horrors—a double murder, a fatal dose of radioactivity, a decapitation, an annihilation of a city by a neutron bomb—Rudy Waltz, aka Deadeye Dick, takes us along on a zany search for absoluton and happiness. Here is a tale of crime and punishment that makes us rethink what we believe . . . and who we say we are. Praise for Deadeye Dick "A moving fable . . . Vonnegut, sweet cynic and ugly duckling, continues to write gentle swan songs for our uncivil society."-Playboy "A brilliantly unconventional novel . . . a must for all Vonnegut fans."-Worcester Sunday Telegram "Hits the bull's-eye . . . dolefully celebrates the randomness of life, treating private and public disasters with a kind of reckless whimsy. . . . You don't read Kurt Vonnegut for meaning exactly. You read him for the sad-funny attitude of mind, the kind of weirdness that can interpret the world's weirdness."-USA Today "Vonnegut is beguiling as ever . . . Incredible plot constructions and inventive language continue to leap from his typewriter . . . the humor is natural and inborn; the insight usually purchased by his characters at painfully high cost. Funny how life turns out. Even funnier how Mr. Vonnegut turns life's insanities into funny, profound sense. That takes a master's touch. Mr. Vonnegut still has it."-Kansas City Star "Playful and imaginative . . . On finishing the novel, the kitchen of your mind is a cleaner and more well-lit place than it was before."-Houston Chronicle "Endearing and enchanting . . . a wise and charming book . . . very full of life."-Glamour
