Aspiring author, Boone Daniels, always figured love would be as easy as he was. Fresh off the whirlwind winter-vacation romance with ski-god and would-be boyfriend, Wade Walker -- Boone was certain that saying goodbye would be the hardest part. He'd survived the unconventional way in which they came together, proven himself somewhat worthy to Wade's hometown of Summit City, and felt certain the self-imposed, six month boy-buffer would prove one thing - their fate was to be forever entwined. Once real life settles in, Boone suffers the realization that no one ever actually said love was easy and that even after you fall, you can still break. As their two worlds collide, he begins to understand that if he can navigate the landscape of life in fusion, he just might get that happily-ever-after -- after all.

Combining beautiful artwork with great usability, it's a deck that reads eloquently, especially when you need to explore the shadow side of issues and relationships. * 80 full-color cards and 32-page booklet packaged in a deluxe cigar-style case The 2010 reprint is a new version of this extremely popular deck.
