In this handbook on successful hotel planning, the authors present an in-depth planning aid for the design and construction of hotel property. In doing so, the requirements of both hotel operators and planners are considered simultaneously. Hotel Buildings is addressed to architects, interior designers, project managers, as well as project developers, property developers, and hotel operators. Having implemented their own hotel projects, the authors are experts on this building typology. On more than 300 pages they provide valuable advice on avoiding typical planning errors. Accompanied by detailed drawings and explanations, this book is a true asset. > Checklists for planning > Functional diagrams and floor space requirements > Approaches for cost optimisation > Requirements for safety and hazard management > Glossary and keyword index > Trilingual lexicon on hotel planning

Appropriate for Front Office or Front Desk courses within Hospitality Management departments. This is a workbook and manual designed as an accompaniment to standard lodging or front office text books. A student version of Micros Fidelio, a guest management software application, is included within the text. Micros Fidelio is the industry standard guest service program.

Front Office or Front Desk of a hotel is the most important place. It is treated as the nerve center or brain or mirror of the hotel. The first hotel employees who come into contact with most guests when they arrive are members of the front office. These people are mostly visible and assumed mostly knowledgeable about the hotel. Hotel Front Office Training Manual with 231 SOP, 1st edition comes out as a comprehensive collection of some must read hotel, restaurant and motel front office management Standard Operating Procedures (SOP) and tutorials written by <http://www.hospitality-school.com> writing team. All contents of this manual are the product of Years of Experience, Suggestions and corrections. Efforts have been made to make this manual as complete as possible. This manual was made intended for you to serve as guide. Your task is to familiarize with the contents of this manual and apply it on your daily duties at all times.

Reliable advice to help hospitality managers prevent legal problems and avoid litigation. Is an unhappy restaurant guest legally entitled to a refund for food she ate? Is a hotel required to replace money that a guest claims was taken from his room? Can a hospital food and beverage director legally accept a holiday gift from a vendor without threatening her employment status? "Hospitality Law, Second Edition" provides readers with answers to these questions and more. Packed with interactive exercises as well as

up-to-date legal information specific to the hospitality industry, "Hospitality Law" benefits students by emphasizing preventive legal management and effective decision-making. This "Second Edition" gives students and managers background on safety and security requirements, disputes with customers, hiring and firing employees, liabilities associated with serving alcohol, and much more, including: New coverage of legal issues in travel and tourism, including those associated with transportation, travel agents, tour operators, gaming, mixed-use, and timeshare properties Newly added real-world legal case summaries that illustrate the practical application of hospitality laws in actual hospitality operations. Each case summary features a "Message to Management" that gives the reader a clear explanation of the impact of the decision on best practices, as well as preventative measures managers can take to limit exposure New coverage of legal issues related to amusement parks and the Internet booking phenomenon New "International Snapshots" offering insights from practicing attorneys and other professionals regarding differences between U.S. and international laws related to hospitality Updated Web exercises and guidance for researching on the Internet Encouraging readers to think critically about legal concepts related to hospitality, "Hospitality Law, Second Edition" is an indispensable part of every hospitality manager's education.

The first book in the world to compile definitive basic standards for hotels. Designed as an easy-reference guide with handy tips and instructions to help every hotelier improve and maintain high standards. This title draws on guest experience, industry knowledge and standards laid down by tourist boards and hotels across the world making it probably one of the most definitive and researched titles on hospitality standards. Covering everything from toilets to teapots, driveways to dining rooms, this book is a must have companion for any hotelier.
