In time, many of the early DJs no longer identified with this sound and turned their attentions back to House and some of its sub-genres like Funky House, Deep House & Soulful House. As House Music progressed during the late 80s and early 90s, it was played all round the world and grew by influence of different cultures, creating many more sub-genres: Detroit Techno, Acid House, Hip-House, Hard House, Funky House among others.

**What is house music: a brief history of the club genre**

House, style of high-tempo, electronic dance music that originated in Chicago in the early 1980s and spread internationally. Born in Chicago clubs that catered to gay, predominantly black and Latino patrons, house fused the symphonic sweep and soul diva vocals of 1970s disco with the cold futurism of synthesizer-driven Eurodisco. Invented by deejay-producers such as Frankie Knuckles and ...

Jesse Saunders is an artist whose influence on modern music will never be forgotten.

The author examines the legacy and lasting impact of acid house, and how the second summer of love is viewed 25 years on. How has acid house been assimilated into mainstream culture? How did the change in drugs, away from ecstasy towards other drugs, affect the music and the party scene? Bainbridge has interviewed most of the protagonists who led the revolution, from the DJs and musicians to the promoters, gangsters and ravers, and built up a relationship of trust and mutual respect. This is the true story of acid house, from the DJ box to the dancefloor. Why has the free party scene never really been replicated, despite new technology's greater capacity to organize events and disseminate information? Who were the real winners and casualties in the story? Do the world's current biggest DJs - Tiesto, Swedish House Mafia, David Guetta - have any connection to the original scene? Where next for house and dance music in general?

The arrival of a new style of music and a new type of drug in 1988 ignited a revolution. To coincide with the 25th anniversary of the second summer of love, this is the definitive story of the seismic movements in music and youth culture that changed the cultural landscape forever. Luke Bainbridge is uniquely positioned to tell this story, having connections both in the industry, through nearly two decades as a music journalist, and on the dancefloor, through two decades of dancing, promoting and DJing. Bainbridge has interviewed most of the protagonists who led the revolution, from the DJs and musicians to the promoters, gangsters and ravers, and built up a relationship of trust and mutual respect. This will be true story of acid house, from the DJ box to the dance floor. He examines the legacy and lasting impact of acid house, and how the second summer of love is viewed 25 years on. How has acid house been assimilated into mainstream culture? How did the change in drugs, away from ecstasy towards other drugs, affect the music and the party scene? Why has the free party scene never really been replicated, despite new technology greater capacity to organise events and disseminate information? Did the summer of 1988 leave us with a generation of drug users? Has there been any lasting effect of such an explosion in drug use? Who were the real winners and casualties in the story? Do the world's current biggest DJs Tiesto, Swedish House Mafia, David Guetta have any connection to the original scene? Where next for house and dance music in general?

(Amadeus). The great baritone Leonard Warren was history's most notable interpreter of Verdi, making his mark in the title roles of Rigoletto , Macbeth and Simon Boccanegra . Warren's dramatic death over 40 years ago is famous: he collapsed and died onstage at the Met on March 4, 1960 in a performance as Carlo in La forza del destino . In this definitive biography, Mary Jane Phillips-Matz, author of an acclaimed biography of Giuseppe Verdi, offers an intimate portrait of a beloved opera star, based on hundreds of interviews. More than 100 rare photographs capture Warren in his great roles as well as in private moments. **HARDCOVER.**

(Theatre World). Theatre World, the statistical and pictorial record of the Broadway and off-Broadway season, touring companies, and professional regional companies throughout the United States, has become a classic in its field. The book is complete with cast listings, replacement producers, directors, authors, composers, opening and closing dates, song titles, and much, much more. There are special sections with biographical data, obituary information, listings of annual Shakespeare festivals and major drama awards.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

An accessible introduction to the study of popular music, this book takes a schematic approach to a range of popular music genres, and examines them in terms of their antecedents, histories, visual aesthetics and socio-political contexts. At the centre of each chapter is a textual analysis of key examples of the genres concerned: soul, psychedelia, progressive rock, reggae, funk, heavy metal, punk rock, rap, synthpop, indie, jungle. Within this interdisciplinary and genre-based focus, readers will gain insights into the relationships between popular music, cultural history, economics, politics, iconography, production techniques, technology, marketing, and musical structure. Features\*Introduces key terms and concepts in the study of popular music\*Includes recommended further readings and audio texts at the end of each chapter\*Provides a glossary of key theoretical terms for reference.

Fresh, original and compelling, An Introduction to Literature, Criticism and Theory is the essential guide to literary studies. Starting at ‘the beginning’ and concluding with ‘the end’, the book covers topics that range from the familiar (character, narrative, the author) to the more unusual (secrets, pleasure, ghosts). Eschewing abstract isms, Bennett and Royle successfully illuminate complex ideas by engaging directly with literary works – so that a reading of Jane Eyre opens up ways of thinking about racial difference, whilst Chaucer, Raymond Chandler and Monty Python are all invoked in a discussion of literary laughter. Each chapter ends with a narrative guide to further reading and the book also includes a glossary and bibliography. The fourth edition has been revised to incorporate two timely new chapters on animals and the environment. A breath of fresh air in a field that can often seem dry and dauntingly theoretical, this book will open the reader’s eyes to the exhilarating possibilities of both reading and studying literature.

“Jack and the Beanstalk,” “Little Jack Horner,” and “Jack the Giant Killer” are all famous tales and rhymes featuring the same hero, a character who often appears in legends, fairy tales, and nursery rhymes. Unlike moralizing fairy tale heroes, however, Jack is typically depicted as foolish or lazy, though he often emerges triumphant through cleverness and tricks. With their roots traced back to England, Jack tales are an important oral tradition in Appalachian folklore. It was in his Appalachian upbringing that Kevin D. Cordi was first introduced to Jack through oral storytelling traditions. Cordi’s love of storytelling eventually led him down a career path as a professional storyteller, touring the US for the past twenty-seven years. In addition to his work as a storyteller, Cordi worked a second job in an unrelated field—a high school teacher—and for many years, he kept his two lives separate. Everything changed when Cordi began telling stories in the classroom and realized he was connecting with his students in ways he had not previously. Cordi concluded that storytelling, storymaking, and drama can be used as systems of learning instead of as just entertainment. In You Don’t Know Jack: A Storyteller Goes to School, Cordi describes the process of integrating storytelling into his classroom. Using autoethnographic writing, he reflects upon the use of storytelling and storymaking in order to promote inquiry and learning. He argues that engaging with the stories of others, discovering that one voice or identity should not be valued over the other, and listening, especially listening to stories of difference, are of utmost importance to education and growth.
