This resource serves to educate lawyers and business professionals on how to draft the many types of "boilerplate" provisions, a legal term that refers to the standardized, one-size-fits-all provisions of a contract. Each chapter tackles one of 20 provisions and analyzes why it is important, the key legal and business issues raised, and how to draft the provision to suit a particular transaction. Such analysis not only helps readers better understand how to draft these provisions in their contracts, but also helps them better understand the other party's process.

Expanded and updated, the popular Gold Medal Nutrition is back and more relevant to athletes than ever. The fifth edition sports a new look, illustrations, and current discussions of key topics, like what nutrients are needed for peak performance, how best to plan food purchasing and how to control body fat stores and gain muscle. Clear and concise, it is a practical resource for recreational and elite athletes, coaches and health professionals. With the easy-to-follow format in Gold Medal Nutrition, readers can find the advice they need in a matter of seconds. Glenn Cardwell created a resource that contains universal principles that anyone will find useful. In a comprehensive-yet accessible-text, Cardwell explains how to • get enough protein, • find the best nutritional supplements, • eat to bulk up, • select the best pre-sport meals, • drink the best fluids for sports, and • travel well and avoid jet lag. The explanations of the physiology behind fuel intake and muscle contraction will be useful to athletes who want to gain a competitive edge in any sport. The book explains how to build endurance and energy with the right mix of protein, carbohydrate, vitamins and liquids. Particularly helpful are the tips for burning fat, building muscle and losing weight safely and sensibly. Readers will feel more confident eating out, reading food labels and even choosing supplements as they integrate these guidelines into their daily lives.

Blank Cookbook journal. Grab an apron and a pencil and starting jotting down your best recipes in this stylish blank cookbook. This blank recipe book is perfect for creating and sharing your personal recipes. You'll find it easy to organize your favorite meals created in your kitchen or passed down from family members.

In 1919, in a small town in the province of Berry, France, under the sweltering temperatures of summer heat wave, a war hero is being held prisoner in an abandoned barrack. In front of the door to his prison, a mangy dog barks night and day. Miles from where he is being held, in the French countryside, an intelligent young woman works the land, waiting and hoping. And a military investigating officer, whose principles have been sorely shaken by the war, must complete his last assignment before returning home. Three characters. In their midst, a dog holds the key both to their futures and to this intriguing plot. Full of poetry and life, The Red Collar is at once a pleasingly straightforward narrative about the human spirit and a profound work about loyalty and love.

The official guide to Valve Corporation's Xbox 360 video game. The guide follows a new concept: the solution only gives away as much as the player wants to know. Thanks to a multi-layered walkthrough consisting of different levels of information, the guide lets players decide for themselves how much help they receive. From just a small hint right up to a complete solution -- everything is there. This guarantees a maximized gaming experience. Also included are an interview with the game's producers, previously unpublished concept drawings and artwork from Portal and Portal 2, and a comprehensive section on Trophies/Achievements, for all of those who wish to fully master the game.
