Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear. Keep Your Love On reveals the higher, Jesus-focused standard defined by mature love--love that stays 'on' no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love, and ultimately protect your connections so you can love against all odds. As a result, your relationships will be radically transformed for eternity. When you learn to keep your love on, you become like Jesus. -- Danny Silk

In the year 2068 A.D., the world has united under the fist of Altieria Corporation's wise and powerful CEO. Not without its complications... The wife of a robotics engineer turns up dead in a cheap motel, and all evidence points to a telekinetic suspect that doesn't exist to the public eye--or even the eyes of the man who sees everything. Two veteran detectives, a rebel faction, and an aggressive reporter approach the case from their own perspectives and rapidly descend into a web of lies, secrets, illegal operations, and violence. In their struggle for survival, they begin to suspect that the Altieria Corporation may somehow be involved. And if it is, how can they hope to learn the truth and expose it to a world that the Company now controls?

Toni Blake returns with the most emotional, tender novel yet in her enchanting Summer Island series. Suzanne Quinlan has been through a lot lately, so nothing sounds better than a peaceful winter in her cozy cottage on Summer Island. The last thing she wants is a massive lifestyle adjustment!especially when it comes in the form of an injured Zack Sheppard, who is sullen, angry and completely dependent on her. Zack values his independence above all else. But when he falls down his icy steps, he finds himself with a serious leg injury and in need of round-the-clock care. The only person available to help is his ex's best friend, Suzanne. It doesn't hurt that Suzanne is far more attractive than he ever realized, but he's never been one to settle, and he sure isn't going to start now. As Suzanne and Zack grow closer, they both realize they're in this thing more deeply than they ever thought, and it's started to cause tension in their small, close-knit community, too. Will Zack be able to commit this time, and will Suzanne be able to trust him? One thing is certain: come spring, the lives and loves of Summer Island will never be the same.
