Honest and inspiring, I NEVER KNEW I HAD A CHOICE: EXPLORATIONS IN PERSONAL GROWTH, 11th Edition, is an invitation to personal learning and growth -- and a roadmap to lasting change. Research-based, yet written in a personal, encouraging tone, the book helps students examine the choices they've made, expand their awareness of the choices available to them, and choose where to go next. Emphasizing the role of personal responsibility and choice in creating a meaningful life, the text explores a wide variety of key topics, including personal style of learning, the effects of childhood and adolescence experiences on current behavior and choices, meeting the challenges of adulthood and autonomy, and many other issues related to personal growth and development. Self-inventories, exercises, activities, and first-person accounts of difficult choices real people have made give students invaluable insight into their lives, beliefs, and attitudes in a personally empowering way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Thousands of readers have used the honest and inspiring I NEVER KNEW I HAD A CHOICE: EXPLORATIONS IN PERSONAL GROWTH, now in its Tenth Edition, to focus on their personal growth and effect personal change. Through their warm yet thoroughly research-based discussion of significant dimensions of life, Corey and Corey help students expand their awareness--and understanding--of the choices available to them. The text explores choosing a personal style of learning, the effects of childhood and adolescence experiences on current behavior, meeting the challenges of adulthood and autonomy, and many other issues related to personal growth and development. As they work through the text's self-inventories, exercises, and activities--and read first-person accounts of the difficult choices real people have made--students will gain insight into their lives, beliefs, and attitudes in a personally empowering way. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Veteran undergraduate text, first published in 1978, for courses in applied psychology and personal development. Updated for the current edition are discussion of cultural and gender issues as they reflect on personal choice and behavior; much new material (AIDS, sexual harassment). Offers tools such as self-inventories, personal reflection sections, activities, and exercises. Annotation copyright by Book News, Inc., Portland, OR

An observer laments the lonely life of a teenage suicide whose neighbors didn't even know his name.

How I Met My Mother is the true story of how seemingly random and unrelated incidents nudged a son towards an amazing reunion with his biological mother. Living his life wondering who his real parents were while unaware that he was working directly across the street from his biological father is just one of the many uncanny coincidences described in this book. This is the story of a reunion that happened in the most unconventional way -- a reunion that answered years

of questions and speculations, and changed several lives forever! Not knowing his history or heritage for almost four decades, Charles Cornacchio's past was suddenly revealed. For anyone who wonders what "could have been" if life took a different turn, this is a must-read! For anyone who has been adopted and always fantasized about meeting their biological parents, this is a must-read! For anyone who enjoys a true story, peppered with unbelievable circumstances, this book is a must-read! *How I Met My Mother . . . And the Four Brothers I Never Knew I Had* is the story of a reunion thirty-eight years in the making. If you've ever found yourself wondering what might have been if life had taken a different turn, Charles's tale of family and destiny will capture your imagination.

Told in alternating points of view between the living and the dead, Jessica Hamilton's debut novel will be perfect for fans of *The Lovely Bones*. Idyllic Avril Island, owned by the Bennett family, where their hundred-year-old cottage sat nestled in acres of forest. Forty-year-old June Bennett believed that the island had been sold after the summer of her father's disappearance when she was only twelve years old. It's months after the shocking death of her older sister May in a fatal car accident, that June finds out that the cottage was never sold. Avril Island is still owned by the Bennett family and now it's hers. Still reeling from the grief of losing her sister, June travels back to Avril Island in search of answers. As she digs, she learns that the townspeople believe her father may in fact have been murdered rather than having abandoned his family in the dead of night, as she was led to believe by her mother. And that's when she begins to notice strange things happening on the island--missing family possessions showing up, doors locking on their own, unexplained noises in the night, shadowy figures disappearing into the woods. It takes June no time at all to realize that her childhood summers at Avril Island were not at all what they had seemed to be.

What secrets lurk in a family ' s past—and how important are they in the here and now? Sudha Murty ' s new book comprises two novellas that explore two quests by two different men—both for mothers they never knew they had. Venkatesh, a bank manager, stumbles upon his lookalike one fine day. When he probes further, he discovers his father ' s hidden past, which includes an abandoned wife and child. Venkatesh is determined to make amends to his impoverished stepmother—but how can he repay his father ' s debt? Mukesh, a young man, is shocked to realize after his father ' s death that he was actually adopted. He sets out to find his biological mother, but the deeper he delves, the more confused he is about where his loyalties should lie: with the mother who gave birth to him, or with the mother who brought him up. *The Mother I Never Knew* is a poignant, dramatic book that reaches deep into the human heart to reveal what we really feel about those closest to us.

How does the Jesus of the New Testament compare to the Jesus we think we know so well? Bestselling author Philip Yancey conducts an enlightening biblical and historical investigation. This honest book will help you discover a different Jesus from the flannelgraph Sunday school figure, the sweetly smiling Victorian Savior, and all the cultural clich é s that have tamed Jesus and kept him in comfortable religious boxes. Philip Yancey cuts through existing views and preconceptions of Jesus--citing opinions from church history, modern history, and popular culture; dissecting popular quotes about Jesus; and much more--and he offers a more accurate perspective by pointing us back to the Bible. From the manger in Bethlehem to the cross in Jerusalem, Yancey presents a complex character who generates questions as well as answers, a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. *The Jesus I Never Knew* engages your heart, your mind, your emotions, and your senses, preparing you for a new, life-changing encounter with the real Jesus described in the Gospels. Also available: *The Jesus I Never Knew* video curriculum, participant's guide, and study guide.

This book is based upon Christ's words and tells you how you can know for sure that you are saved and will spend eternity in heaven. There are many false plans of salvation being taught by the great preachers of today which will not save you or prevent you from standing before Christ at the Great White Throne Judgement. When one stands before Christ at this judgement, they will be cast into the lake of fire for all eternity. Michael Bowen holds a Master's degree in English (Technical and Professional Communication) from East Carolina University. He is currently teaching college-level English composition at a community college and operates an IBM AS400 computer at a local hospital. He enjoys astronomy, martial arts, and reading.
