Here are three differences between marketing and public relations. 1. Function. The two industries have different functions. The function of public relations is to build favorable relationships with the organization's key publics. Marketing is about promoting and selling products or services, including market research and advertising. 2. Target audiences

3 differences between marketing and public relations

Social media and emerging internet technologies have expanded the ideas of marketing approaches. In particular, the phenomenon of the internet in China challenges the common perception of new media environments. Internet Mercenaries and Viral Marketing: The Case of Chinese Social Media presents case studies, textual analysis, media reviews, and in-depth interviews in order to investigate the Chinese "pushing hand" operation from the conceptual perspective of communications and viral marketing. This book is significant to researchers, marketers, and advocates interested in the persuasive influence of social networks.

Strategic Social Media is the first textbook to go beyond the marketing plans and how-to guides, and provide an overview of the theories, action plans, and case studies necessary for teaching students and readers about utilizing social media to meet marketing goals. Explores the best marketing practices for reaching business goals, while also providing strategies that students/readers can apply to any past, present or future social media platform Provides comprehensive treatment of social media in five distinct sections: landscape, messages, marketing and business models, social change, and the future Emphasizes social responsibility and ethics, and how this relates to capitalizing on market share Highlights marketing strategies grounded in research that explains how practitioners can influence audience behaviour Each chapter introduces theory, practice, action plans, and case studies to teach students the power and positive possibilities that social media hold
