There's no way it will have 'fiends or heldrakes, unless they bring out variant models, which is unlikely. Speaking of variants, I hope they have some kind of equivalent to the spiky bits sprue to chaos up the Imperial tanks with more than just rules, like the Reaver Titan weapons get for the Chaos Reaver.

Imperial Armor 13 Review - 3++. So the long-awaited update to the multitude of Chaos vehicles is here, and with it a new army list that updates the Renegades and Heretics (i.e. Lost and the Damned) army as well as a side benefit. The book is something of a pleasant surprise for CSM players, since many of the entries within are just Chaos equivalents of many of the best Loyalist vehicles- and unlike many previous iterations, they aren ' t simply worse than their counterparts in arbitrary ways.
