Summary Inanna, Queen of Heaven is a poetic retelling of the Sumerian and Akkadian myths related to the goddess Inanna followed by a rather quaint 1980's style feminist analysis of the myths so retold. The author, a professional storyteller working in collaboration with Dr. Kramer, one of the foremost Sumerian cuneiform scholars, arranges the Inanna myths in a cycle suggestive of the trifold cycle of maiden, mother, crone popular in 2nd wave feminist writings.

~~Inanna at the Ground of Being | symbolreader~~

In the timeless tradition of bards and rishis, I would like to tell the legend of Inanna, Queen of Heaven and Earth. As daughter of the Moon and sister of the Sun, Inanna is the morning and evening star, Venus-Aphrodite, in the Sumerian pantheon. Yet her story is about a wife, mother, priestess, queen, and goddess who not only wrested from a god the laws and arts of civilization for her people, but who, by descending into the underworld and returning, assures us of the soul's immortality.

There are four major stories of Inanna told here: "The Huluppu Tree," "Inanna and the God Of Wisdom," "The Courtship of Inanna and Dumuzi," and the extended epic "The Descent of Inanna." Seven hymns to the goddess round out the collection. In "The Huluppu Tree," we meet the adolescent Inanna, expectantly

A fresh retelling of the ancient texts about Ishtar, the world's first goddess. Illustrated with visual artifacts of the period. "A great masterpiece of universal literature."--Mircea Eliade

Translation and retelling of the Inanna stories from the Sumerian.

Inanna, in heaven, gazes happily down at the city of Uruk. Inanna: How they sing praises to me! How the people of Uruk worship me, the Queen of Heaven and Earth! They make sacrifices to me! They pray to me! Day and night, the people of Uruk show how much they love the Queen of Heaven and- Mamtar, an angel, enters. She stands before Inanna and bows her head...

When stars were many and people few, a great story was told everywhere. The first storytellers were women. Their story was so large it filled the universe it told of a Great Mother encompassing life, death and return of everything. When Neolithic farming people settled, and depended on plentiful crops and herds, a goddess of fertility stepped into stardom. Inanna is the Sumerian goddess of love, crescent moon, evening star, fertility and renewal. She is the longest lasting supreme goddess of the Ancient Near East. Inannas biography includes her rise to supreme holder of almost all the powers of culture and civilization. 5000 year old poems bring Inanna to life. She sings to her miraculous vulva and to her consort-lover; she struggles to keep her powers and complains of her losses and demotions. Inanna represents lifes powerful contradictions. She changes peace to war and back again; she causes strife and

brings love; she turns women into men and men into women. Inanna loves all her people, every one. A biography must have adversity and Inanna has plenty; she must always conquer of the ever-rising tide of patriarchal domination in all its forms. Buried and forgotten for two millennia, she now steps from the dust, ties up her sandals, applies her kohl, adjusts her tiara, summons her lions, and returns. Her story is also womans story. Let me introduce you to Inanna, Queen of Heaven, Earth, and almost everything

Around 2,300 BC Enheduanna was high priestess to the moon god Nanna at his temple in Ur, a position she held for almost forty years. This volume translates Enheduanna's three devotional poems to the goddess Inanna accompanied by an extensive commentary and discussion which places these highly personal and unique expressions within the context of Sumerian culture and religion. The author highlights the importance of the poems and the princess for our understanding of the place of women in Near Eastern society and religion.

Pioneer study of the need for an inner female authority in a masculine-oriented society. Interprets the journey into the underworld of Inanna-Ishtar, Goddess of Heaven and Earth, to see Ereshkigal, her dark sister. So must modern women descend into the depths of themselves. Rich in insights.

This ambitious and well-researched study brings together for the first time translations of the ancient literature concerning the Sumerian god Enki, one of four gods and goddesses who comprised the highest level of the Sumerian pantheon. The very existence of these writings, which date from the Third Millennium B.C., was unknown until about 100 years ago, when their cuneiform script was deciphered. Since then, it has become apparent that Sumerian literature had a profound and enduring influence on both Biblical and classical Greek literature, and so on the literature of the western world as a whole. Kramer, one of the world's leading sumerologists, has prepared these translations from among the scores of works he has published over the last fifty years; John Maier provides a full interpretive framework that places the translations in their broader comparative cultural context. This rare collection will be of interest to students and scholars in a wide range of disciplines from Near Eastern and Biblical Studies to Mythology and Comparative Literature.

manages to keep her work separate from her private life until she meets Clayton. At first glance, he's a typical college john, but he's magic in bed. The last thing she needs, though, is to fall for a client. It doesn't help that Joanie is also entranced by the lovely Cleo, an initiate of Inanna. Clayton excels in his engineering classes, but he yearns for love. When he meets Joanie, he can't believe his luck. But he has a hard time wrapping his head around her job and her other loves. What none of them knows is that Clayton's anguished loneliness has awakened Puabi-Ekur, a gender-bending demon whose past life is intricately linked to Joanie's. As a succubus/incubus, Puabi-Ekur takes matters into their own hands to push Clayton and Joanie together. But balance must be maintained in the order of all things, and Puabi-Ekur is not the only supernatural force to come to the party.
