It's been 10 years since the world officially ended. In the last city on Earth, Jon Salt is addicted to Sadness, a drug that invokes its name, and obsessed with his lover, Michelle; both of which threaten to drive him insane. Strange creatures and new technologies appeared in the last days of humanity and the widespread adoption of teleportation technology sundered the fabric of time and space, leaving a smattering of looping ghosts. It is a sad, monotone world, but the remaining populace is happy, thanks to the anti-depressants in the water supply. The last government on Earth has taken a special interest in a gift that Jon possesses: the ability to make his thoughts real. Jon must rely on that gift and the help of a few unlikely friends to stay one step ahead of those who desperately want to use him for something far more sinister than even he could dream...

"I need you to understand something. I wrote this for you. I wrote this for you and only you. Everyone else who reads it, doesn't get it." The follow-up to the international #1 bestselling collection of prose and photography, *I Wrote This For You And Only* is the third book in the *I Wrote This For You* series and gathers together the very best entries in the project from 2011 to 2015. Started in 2007, *I Wrote This For You* is an internationally acclaimed exploration of hauntingly beautiful words, photography and emotion that's unique to each person that reads it.

Central Avenue Publishing is proud to publish another book by the widely acclaimed poet Iain S. Thomas. As many have noted on various social media platforms, there have been some issues that have led to the delayed release of this book. For this, we apologise and hopefully the content of the book will clarify the circumstances surrounding this delay. We feel we should also point out that this is not technically a self-help book, but it does contain some poignant prose, poetry and stories which may or may not lead you to happiness. Mostly, it is the rather unfortunate chronicle of a man's attempt to write the book he's promised his publisher, no matter the cost to his sanity.

\*\*I know you don't want to talk sometimes. Sometimes because it hurts and sometimes because you're just not supposed to talk about what you want to talk about. Sometimes it can be hard to say, "this is beautiful," when no one else can see what you see. Or, "Here, this is where the pain is." But some part of you knows, the truth about the words you cannot say is that they only hurt until you say them. They only hurt

until the person who needs to hear them, hears them. Because we are human, and the closest we've ever come to showing each other who we really are, and how we love, is with words. So I'm going to try to say to you here, what I wish you'd say to me too. Please. Listen. We can change things. Here.

From Iain S. Thomas, the creator of *I Wrote This For You*, and artist Carla Kreuser comes a collection of 300 things they truly and sincerely hope for you: from wishing you always have a pen, to hoping you're never lonely, and everything in-between. This collection of inspiring prose and illustrations will move you, and remind you of what's important in life as you live it. Or, that's what they hope.

An old man and a young boy lead a normal life, until everything changes and they're forced to adapt to a new reality. At night, they play a game where they dream of what they will do when the world goes back to normal.
