Some Christians believe strongly in the existence of demons and spiritual warfare. Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? The Invisible War examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.

Some Christians believe strongly in the existence of demons and spiritual warfare. Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? The Invisible War examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.

Provides a clear profile of what it means to be a follower of Jesus, with practical and specific means to live out that life authentically.

An exploration of the great conflict going on between good and evil within the spiritual realm carefully traced back to the period before the beginning of recorded time can be found in this book.

Discover the answer to our culture's need for simplicity and peace—by doing less and loving more. If you crave simplicity, yearn for peace and calm, this is the book for you. Author Chip Ingram goes beyond quick fixes and speaks to all of us who find it impossible to break free of our busy lifestyles, filled with too many good and important things that fill our schedules. The message of this book is simple: Spiritual simplicity will not be achieved by strategic attempts to control our lives and schedules but through doing less because we are able to love more. As you learn the practice of loving people, you will experience a shift from complex to simple, from hurried to peaceful, from “never enough time” to “time enough for those you love.” It's time to redirect our focus from the complex, overextended lifestyle that keeps us running but never arriving. In *Spiritual Simplicity*, learn how to “reorient your life around life. The result is a life whose priorities are so radically rearranged that” (Dave Stone, author of the *Faithful Families* series) lasting change is finally within your reach.

Based on the biblical model for Christianity, *Living on the Edge* challenges readers to experience Christianity the way God intended and provides an actual profile of a disciple of Jesus Christ that is relational, grace-based, faith-focused, practical, and measureable. A launching pad for a journey toward becoming a Christian who lives like Christ, this book provides questions and resources at the end of each chapter, as well as directions to continue on your journey through an interactive Web site, where the reader will discover clear spiritual pathways and personal coaching to make it over barriers.

We live in a reactionary culture where divisive issues arise, people on either side throw stones, and everyone ends up more entrenched in their opinions than in reaching common ground--or even exhibiting common courtesy! If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues, it is now. Believers must develop convictions based on research, reason, and biblical truth--and be able (and willing) to communicate these convictions with a love and respect that reflects God's own heart. In *Culture Shock*, bestselling author, pastor, and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day. Covering topics such as right and wrong, sex, homosexuality, abortion, politics, and the environment, *Culture Shock* is every engaged believer's must-have guidebook to replacing reactionary hate with revolutionary love.

Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

## Read PDF Invisible War Study Guide Chip Ingram

If the idea of walking with Jesus doesn't make you uncomfortable, you haven't thought seriously enough about His presence in your life. The passed-down, packaged Jesus turns out to be quite different from the one who steps alive and kicking out of the pages of Scripture. Author, pastor and radio teacher Chip Ingram outlines what it takes to follow this renegade Jesus toward the idea of Holy Ambition. Stretching outside of your comfortable existence is just the beginning. This newly updated edition will bolster dislocated hearts and turn broken spirits toward radical, faith-filled strategies that make a difference for God right now.
