Final Exam - George Mason University

The nature of the final exam questions will be largely different from what you'll encounter in the certification exam. The final exam will mostly ask questions about how you implemented your lab solution. So you're welcome to open your lab environment and remind yourself of the code you wrote earlier. It has questions like "What method belongs in the Team class". There are a couple question at the end of the final exam that I wrote in the style of what you'll find on the certification exam.
