In the first book Darren Street completely lost his way, unjustly spent time in prison and began his killing spree of his enemies. That could have been called Justice Lost, the second book continued along that way in a deeply twisted and evil way. That book was titled Justice on Fire, upset me and I almost didn't read this third book. I felt Pratt had turned Darren Street into a serial killer with no remorse.

Darren Street faces the most personal and ruthless vendetta of his life. After forfeiting years serving time for a false murder conviction, former criminal defense attorney Darren Street finally got his freedom back and is trying to build a regular life. But when an unthinkable tragedy shatters his hard-earned normalcy, Street is left reeling from the devastating blow. As the criminal-justice system refuses to dispense justice, he escalates into a platform for deep-seeded division and hatred. It also ensnares Dillard, along with his son, Jack, and Charleston Story into a web of lies and deceit spun by a mysterious figure with a hidden agenda. Meanwhile, his wife, Caroline, continues her fight against metastatic breast cancer, and his sister, Sarah, comes back into the picture. Culminating in a courtroom scene worthy of Perry Mason, Dillard must take on one of the most difficult cases of his career. Will justice prevail? Or will the weight of the criminal justice system grind Joe and his client to dust?Pratt's richly developed characters are vivid and believable, especially the strong Southern women who fight their male-dominated culture from behind a facade of vulnerability." -Publishers Weekly

THE TOP TEN SUNDAY TIMES BESTSELLER Could the courts really order the death of your innocent baby? Was there an illegal immigrant who couldn't be deported because he had a pet cat? Are unelected judges truly enemies of the people? Most of us think the law is only relevant to criminals, if we even think of it at all. But the law touches every area of our lives: from intimate family matters to the biggest issues in our society. Our unfamiliarity is dangerous because it makes us vulnerable to media spin, political lies and the kind of misinformation that frequently comes from loud-mouthed amateurs and those with vested interests. This 'fake law' allows the powerful and the ignorant to corrupt justice without our knowledge – worse, we risk letting them make us complicit. Thankfully, the Secret Barrister is back to reveal the stupidity, malice and incompetence behind many of the biggest legal stories of recent years. In Fake Law, the Secret Barrister debunks the lies and builds a defence against the abuse of our law, our rights and our democracy that is as entertaining as it is vital.

Case studies exploring how experts' encounters with environmental justice are changing technical and scientific practice.

Determined to convict two Goth teens who brutally murdered a family in rural Tennessee, prosecutor Joe Dillard risks everything when he discovers that there was someone else involved in the killings—a woman named Natasha whom the teens refuse to implicate, fearing for their lives. Original.

A New York Times Bestseller A Read with Jenna Today Show Book Club Pick! Longlisted for the Center for Fiction's First Novel Prize " Askaripour closes the deal on the first page of this mesmerizing novel, executing a high wire act full of verve and dark, comic energy. " —Colson Whitehead, author of The Nickel Boys " A hilarious, gleaming satire as radiant as its author, Askaripour has announced himself as a major talent of the school of Ralph Ellison, Paul Beatty, Fran Ross, and Ishmael Reed. Full of quick pacing, frenetic energy, absurd—yet spot on—twists and turns, and some of the funniest similes I ' ve ever read, this novel is both balm and bomb. " —Nafissa Thompson-Spires, author of Heads of the Colored People For fans of Sorry to Bother You and The Wolf of Wall Street—a crackling, satirical debut novel about a young man given a shot at stardom as the lone Black salesman at a mysterious, cult-like, and wildly successful startup where nothing is as it seems. There ' s nothing like a Black salesman on a mission. An unambitious twenty-two-year-old, Darren lives in a Bed-Stuy brownstone with his mother, who wants nothing more than to see him live up to his potential as the valedictorian of Bronx Science. But Darren is content working at Starbucks in the lobby of a Midtown office building, hanging out with his girlfriend, Soraya, and eating his mother ' s home-cooked meals. All that changes when a chance encounter with Rhet Daniels, the silver-tongued CEO of Sumwun, NYC ' s hottest tech startup, results in an exclusive invitation for Darren to join an elite sales team on the thirty-sixth floor. After enduring a " hell week " of training, Darren, the only Black person in the company, reimagines himself as " Buck, " a ruthless salesman unrecognizable to his friends and family. But when things turn tragic at home and Buck feels he ' s hit rock bottom, he begins to hatch a plan to help young people of color infiltrate America ' s sales force, setting off a chain of events that forever changes the game. Black Buck is a hilarious, razor-sharp skewering of America ' s workforce; it is a propulsive, crackling debut that explores ambition and race, and makes way for a necessary new vision of the American dream.

Burned out defense attorney Joe Dillard, against his better judgment, takes the case of Angel Christian, a waitress in a strip club, who is accused of stabbing a preacher to death in a Tennessee motel—a case that is linked to his own deeply troubled sister and a vindictive detective. Original.

Humanity intercepts an enigmatic signal from a distant world. Captain Gregory, aboard the Hercules-class naval reconnaissance and light attack vessel Nemean, is dispatched to investigate Arriving at Virgil's Star 139 light years from home, the crew discovers an enormous artificial moon. Unable to establish communications, the Captain deploys his Marines to look for clues. A NEW YORK TIMES NOTABLE BOOK * From an award-winning journalist, a poignant and gripping immersion in the life of a young, homeless single mother amid her quest to find stability and shelter in the richest city in America LONGLISTED FOR THE PEN/JEAN STEIN BOOK AWARD * "Riveting . . . a remarkable feat of reporting."--The New York Times Camila is twenty-two years old and a new mother. She has no family to rely on, no partner, and no home. Despite her intelligence and determination, the odds are firmly stacked against her. In this extraordinary work of literary reportage, Lauren Sandler chronicles a year in Camila's life—from the birth of her son to his first birthday—as she navigates the labyrinth of poverty and homelessness in New York City. In her attempts to secure a safe place to raise her son and find a measure of freedom in her life, Camila copes with dashed dreams, failed relationships, the desolation of abandonment, and miles of red tape with grit, humor, and uncanny resilience. Every day, more than forty-five million Americans attempt to survive below the poverty line. Every night, nearly sixty thousand people sleep in New York City-run shelters, 40 percent of them children. In This Is All I Got, Sandler brings his deeply personal issue to life, vividly depicting one woman's hope and despair and her steadfast determination to change her life despite the myriad setbacks she encounters. This Is All I Got is a rare feat of reporting and a dramatic story of survival. Sandler's candid and revealing account also exposes the murky boundaries between a journalist and her subject when it becomes impossible to remain a dispassionate observer. She has written a powerful and unforgettable indictment of a system that is often indifferent to the needs of those it serves, and that sometimes seems designed to fail. Praise for This Is All I Got "A rich, sociologically valuable work that's more gripping, and more devastating, than fiction."--Booklist "Vivid, heartbreaking. . . . Readers will be moved by this harrowing and impassioned call for change."--Publishers Weekly "A closely observed chronicle . . . Sandler displays her journalistic talent by unerringly presenting this dire situation. . . . An impressive blend of dispassionate reporting, pungent condemnation of public welfare, and gritty humanity." --Kirkus Reviews

Prologue Books presents: A Western thriller from Max Brand. In The Man from Mustang, Silvertip hunts a man whose face he's never seen . . . And whose name he doesn't know! "The explosion of the shot echoed through the saloon. The moment before, a gun had glinted in the night through an open window. Now Buck lay on the floor, fighting for his life, trying to raise himself on one hand trying to breathe. He reached up and caught Silvertip's hand. He tried to speak, but only red bubbles of blood burst on his lips."
