I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since

they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

From My Kitchen To Yours: Food, Love And Other Ingredients celebrates how Maria Goretti lives her life, with memorable recipes from her mother's East-Indian spreads, aromas from her grandmother's kitchen, and the food that she has seen, touched and tasted over her many travels across India, and the world, as a VJ with MTV. Add to that, all those delicious dishes she has eaten at her friends' homes, especially those sinful desserts that she loved, which she tried and tried till she got them right. Divided into monthly menus with soups, salads, starters, non-vegetarian and vegetarian main course dishes, and desserts, the recipes are simple and delicious. With a foreword by actress and politician Jaya Bachchan, the book presents a six-course meal layout for each month, and easy-to-make recipes with ingredients readily available in any home kitchen. It contains an array of both

man right and the inside story of the romance with Saif Ali Khan

About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutka bauwa (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. Quotes Anything But Khamosh: The Shatrughan Sinha Biography, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular Bihari Babu. "Do not attempt to change him. Of the 1.25 crore people of India, he stands out as unique" - Amitabh Bachchan, superstar, Hindi cinema "They used to call me the Shatrughan Sinha of the South" - Rajinikanth, superstar, Tamil Nadu "I became an actor because of

Shatrughan is" - LK Advani, Senior Leader, BJP "I would give him sanyam ki salaah (advice on patience)" - Sushma Swaraj, Minister for External Affairs "I find there's no chaploosi (sycophancy) in him. Our doors are open 24/7 to him" - Lalu Prasad Yadav, Leader, RJD "If the Bihari Babu is hurt, the whole of Bihar is hurt" - Nitish Kumar, Chief Minister, Bihar "If we had Shatrusaab on our side, we wouldn't need anybody else on our team" - Nawaz Sharif, Prime Minister, Pakistan About the Author Renowned columnist, critic and author Bharathi S Pradhan has written both fiction and non-fiction. Anupama Chopra's *The Front Row* hosted some of the biggest names from Bollywood, Hollywood and world cinema. There were candid, intelligent discussions on stardom, craft, fame, relationships, work-life balance and much more. *The Front Row* broke the mould of the celebrity chat show, reflecting instead the thoughtful, straight-talking nature of the host herself. It brought to bear on the conversations Chopra's own deep understanding of cinema and of the world behind it. This book is a selection of the very best of *The Front Row*. From Salman Khan to Madhuri Dixit, Priyanka Chopra to Nicole Kidman, Raju Hirani to Rohit Shetty, they are all here. The insightful discussions range from the Rs 100-crore club, supporting actors and villains in Hindi cinema, to the making of some of the most celebrated movies in recent times. While Ang Lee talks about surrendering to the movie god, Amitabh Bachchan discusses what it is like to be called God. If Aamir Khan owns up to how *Satyamev Jayate* changed him as a person, Shah Rukh Khan talks about what it is like to be 'just an employee of the Shah Rukh Khan myth'. Johnny Depp reacts to Tim Burton's verse about him - 'There was a young man, people thought he was handsome, so he tied up

his face and held it to ransom' - Martin Scorsese wrestles with the question of how a film-maker can combine artistic integrity with commercial success, and Spielberg acknowledges how he 'wouldn't know how to make a Martin Scorsese movie' and how that makes him sad. Engaging, penetrating and great fun, *The Front Row: Conversations on Cinema* is essential reading for all movie buffs.
