Alphabetically arranged original essays explore such topics as historical movements, race and masculinity, marriage, and aging.

The battle between the sexes has raged on for centuries; however, are men and women really from different planets? In *The Gendered Society Reader, Fourth Edition*, coeditors Michael Kimmel and Amy Aronson pull together an array of dynamic voices--both male and female, classic and contemporary--to examine various interpretations of gender. These lively, in-depth readings explore gender discourse over a wide range of disciplines, focusing primarily on two central issues: difference and domination. Carefully balanced to reflect the diversity of its subject, this text addresses provocative and fundamental questions including: \* How are males and females different? \* What do these differences mean? \* How do various cultures and religions interpret gender? \* Why do societies continue to differentiate people on the basis of gender? \* Why is it that almost every known society is based on male domination? This reader mirrors the intuitive structure of

Kimmel's companion volume, *The Gendered Society*, Fourth Edition. The first sections are arranged by discipline, presenting analyses of theoretical perspectives and research inquiries. The final sections examine the often fraught relationships between gender and education, the workplace, the media, the body, the family, love, sex, and violence. The celebrated contributors include Peggy Reeves Sanday, Judith Lorber, Robert M. Sapolsky, Scott Coltrane, and many more. Thoroughly updated with rich and timely new material, the fourth edition features twenty-one new selections, including three essays in a new section on religion, four new selections on gender and the media, and a new article on non-heterosexual families. This edition is also supplemented by an Instructor's Manual/Test Bank, which includes discussion questions. A popular and now classic text, *The Gendered Society Reader*, Fourth Edition, is both informative and entertaining; it is required reading for students, scholars, and anyone curious about the fascinating study of gender. Michael Kimmel's textbook, *The Gendered Society*, Fourth Edition (OUP, 2010), provides a perfect complement for classroom use. PACKAGE the textbook and the reader together and save your students 20%! Please call Customer Service at 800.280.0280 for details.

The sixth edition of *The Gendered Society* explores current thinking about gender, both inside academia and in our everyday lives. Michael Kimmel challenges the claim that gender is limited to women's experiences--his compelling and balanced study of gender includes both masculine and feminine perspectives. Kimmel makes three bold and persuasive statements about gender. First, he demonstrates that gender differences are often extremely exaggerated; in fact, he argues that men and women have much more in common than we think they do. Kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes; instead, he reveals that the reverse is true--gender inequality itself is the cause of the differences between men and women. Finally, he illustrates that gender is not merely an element of individual identity, but a socially constructed institutional phenomenon.

MySocLab is an interactive online solution for Sociology courses. This site gives you access to a wealth of resources all geared to meet individual learning needs. in areas of the humanities & natural sciences.

Drawing together the broad range of theoretical issues posed in the new study of masculinity, contributors from diverse backgrounds address in this volume the different disciplinary roots of theories of masculinity - sociology, psychoanalysis, ethnography, and inequality studies. Subsequent chapters theoretically model many issues central to the study of men - power, ethnicity, feminism, homophobia - or develop theoretical explanations of some of the institutions most closely identified with men including the military and the men's movement.
