Retirement is a time of opportunity. Without the routine demands of working life, new ambitions can be realized and experiences enjoyed. Yet with so much to consider, people are often unsure how best to plan for their future. Furthermore, with rising retirement ages, the closure of many final salary pension schemes, poor annuity rates and uncertainty regarding universal benefits, the scope for concern and confusion is even greater. The Good Retirement Guide is essential reading for all those looking forward to making the most of their retirement, and offers clear and concise suggestions and advice on a broad range of retirement-related subjects, including finance (investments, pensions, annuities, benefits and tax), housing, health, holidays, starting a business and looking after elderly parents.

Berlitz Pocket Guide Austria is a concise, full-colour travel guide that combines lively text with great photography to highlight the very best that this beautiful country has to offer. The guide kicks off with Austria's Top 10 Attractions and A Perfect Tour itinerary to give you plenty of inspiration for planning your trip and experiencing the very best of Austria. The Where To Go chapter details all the key sights that a visitor must see - from the opulent and elegant cities of Vienna and Salzburg to the breathtaking scenery of Tyrol and the mighty Danube. The What to Do chapter explores Austria's diverse range of shopping, sports and entertainment, whilst the Eating Out section investigates the local cuisine and provides a list of recommended restaurants. Essential background information about the country's history and culture can be found in the Introduction and A Brief History chapters. Clear and detailed maps plot all the major sights, and the Travel Tips section offers practical advice on how to get to Austria and where to stay, plus currency, tourist information, language, public holidays and much more, with helpful phrases in German throughout.

Now available in PDF format. DK Eyewitness Travel Guide: Great Britain is your indispensable guide to England, Scotland, and Wales. DK Eyewitness Travel Guide: Great Britain shows you what others only tell you.

Whether you are an executive or a student, beginner or expert, this book is designed to explain and illustrate the working essentials of finance with clarity and speed. This desktop companion deliberately combines essential theory with real-world application, using short, focused chapters to help you find what you need and implement it right away. www.pearsoned.co.uk/estrada

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Having a grasp on what appeals to consumers and how consumers are making purchasing decisions is essential to the success of any organization that thrives by offering a product or service. Despite the importance of consumer knowledge and understanding, research-based insight into the buying patterns and consumption habits of individuals in emerging nations remains limited. The Handbook of Research on Consumerism and Buying Behavior in Developing Nations takes a critical look at the often overlooked opportunities available for driving consumer demand and interest in developing countries. Emphasizing the power of the consumer market in emerging economies and their overall role in the global market system, this edited volume features research-based perspectives on consumer perception, behavior, and relationship management across industries. This timely publication is an essential resource for marketing professionals, consumer researchers, international business strategists, scholars, and graduate-level students.

Make sure you're getting the genuine article with this "well-illustrated" guide and "must read" for collectors of twentieth-century military memorabilia (Antiques Diary). Written by a longtime collector, A Guide to Wartime Collectables tells readers what to look for when looking for authentic military items. From army badges to gas masks, this book covers the major types of twentieth-century military collectables. Arthur Ward shows what these items look like and what new collectors should be looking for to ensure they're purchasing authentic artifacts and not reproductions. This book also includes photographs of the author's collection that feature important details such as insignias and other regalia. "A very useful book written by an author who knows his stuff." —The Armourer

Keeping up with fast evolving technology is a challenge that every business leader faces. As organisations start to wake up to the Fourth Industrial Revolution, it's becoming more important than ever to be able to utilise and exploit new digital platforms. With the simple aim of demystifying blockchain for business leaders, The Executive Guide to Blockchain offers a jargon-free explanation and framework to better understand blockchain technologies and their impact on organizations. Enabling any business leader with or without specific computing knowledge to reap the benefits of blockchain whilst understanding the limitations, this book will empower you to: Identify opportunities for blockchain in your own business sectors Understand smart contracts and their relationship with the law Create a blockchain strategy and business case Implement blockchain technologies and maximise their potential. Written by experts in non-technical language, this practical resource can be applied to any industry, and arm you with the knowledge needed to capture the possibilities of digital business.
