~~Home~~ Importance of Leadership in Early Years Management. Leadership in any job role is important, as you will know those in management positions are the facilitators of the company's success and growth. Leadership requires you to develop, support, encourage and motivate a staff team, as well as model a high standard of practice, knowledge and care. Working with young children is a rewarding and fulfilling job; we work in early years because we are passionate about making positive changes ...

~~Importance of Leadership in Early Years Management~~

In England, the development of professionalism has been confused and confounded by the creation of a new role which includes professional in its title – the Early Years Professional (see Chapters 2 and 7) – which raises questions about whether those who do not have this title or another accepted title such as 'teacher' are therefore deemed not to be 'professionals'.
