That struggle has now come to the mortal realm...and neither Man nor Demon nor Angel will be left unscathed.... Legend speaks of a long-dead city known as Ureh, thought by many to have been a gateway to the High Heavens. It is believed that every two thousand years, when the stars align and the shadow of Mount Nymyr falls upon the ruins, Ureh is reborn -- and all its lost riches are revealed to those brave enough to seek them out. Now, after a lifetime of research and intense calculation, the Vizjerei sorcerer, Quov Tsin, has come to witness Ureh's rebirth for himself. But that which awaits Tsin and his hired band of mercenaries is nothing like what they expected. An exceptionally illustrated fiction for millions of Blizzard fans, Diablo III: Book of Cain is the source book for Blizzard Entertainment's Diablo franchise and the best-selling Diablo III game, as told by the games' core narrator, Deckard Cain. In Blizzard Entertainment's Diablo® and Diablo II, the recurring character of Deckard Cain delivered quests, accompanied the brave adventurer, and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. Diablo III: Book of Cain is Cain's formal record of this greater tale—a dissertation on the lore of the Diablo universe, told by one who has witnessed and participated in some of the epic events that make up the eternal conflict between the High Heavens and the Burning Hells. Designed as an "in-world" artifact from the Diablo universe, Diablo III: Book of Cain includes Cain's revealing meditations, as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with one another.

Since the beginning of time, the angelic hosts of the High Heavens and the demonic hordes of the Burning Hells have been locked in a struggle for the fate of all Creation. That struggle has now come to the mortal realm...and neither Man nor Demon nor Angel will be left unscathed.... Darrick Lang is coming home. Years ago he left the town of Bramwell to walk the wide world as a soldier of fortune and champion of the realm. But Bramwell is not as he left it. Something dark and terrifying has ensnared the townsfolk, something very old and very patient, tangling innocents in a web of malice and profaning the very earth itself. Now that same power calls to Darrick—and his only hope may be to walk the same perilous path of damnation. The Black Road An original tale of space warfare set in the world of the bestselling computer game!

Since the beginning of time, the angelic forces of the High Heavens and the demonic hordes of the Burning Hells have been locked in an eternal conflict for the fate of all Creation. That struggle has now spilled over into Sanctuary -- the world of men. Determined to win mankind over to their respective causes, the forces of good and evil wage a secret war for mortal souls. This is the tale of the Sin War -- the conflict that would forever change the destiny of man. Three thousand years before the darkening of Tristram, Uldyssian, son of Diomedes, was a simple farmer from the village of Seram. Content with his quiet, idyllic life, Uldyssian is shocked as dark events rapidly unfold around him. Mistakenly blamed for the grisly murders of two traveling missionaries, Uldyssian is forced to flee his homeland and set out on a perilous quest to redeem his good name. To his horror, he has begun to manifest strange new powers -- powers no mortal man has ever dreamed of. Now, Uldyssian must grapple with the energies building within him -- lest they consume the last vestiges of his humanity.

This is the tale of the Sin War -- the conflict that would forever change the destiny of man. The demon-backed Triune has fallen. All that now stands in Uldyssian's path to freeing humanity is the Cathedral of Light and its charismatic leader the Prophet. But the Prophet is actually the renegade angel Inarius, who sees the world he created as his uncontested domain. Facing a cunning foe that would just as readily see Sanctuary destroyed than let it slip from his grasp, Uldyssian is blind to the others who would possess his world. Both the Burning Hells and the High Heavens now know of Sanctuary...and their warring hosts of demons and angels will stop at nothing to claim it.
