Here, you'll find everything you need to prepare for A level Geography from 2016, including our specifications and sample assessment materials. Here, you'll find everything you need to prepare for A level Geography from 2016, including our specifications and sample assessment materials.

Reinforce understanding throughout the course with clear topic summaries and sample questions and answers to help students target higher grades. Written by experienced subject experts Cameron Dunn and Michael Witherick, this Student Guide is divided into two key sections - content guidance, and sample questions and answers. Content guidance will: - Develop understanding of key concepts and terminology in key physical geography topics tectonic processes and hazards, landscape systems, processes and change (glaciated and coastal), the water cycle and water insecurity, and the carbon cycle and energy security. - Consolidate knowledge with 'knowledge check questions' at the end of each topic and answers in the back of the book. Sample questions and answers will: - Build understanding of the different question types, so that students can approach each question with confidence. - Enable students to target top grades in their exam paper with sample answers and commentary explaining exactly why marks have been awarded.

Endorsed for Edexcel. Trust the leading A level Geography publisher to boost your students' geographical knowledge and skills with a fully updated edition of our bestselling Student's Book; designed to provide the in-depth subject coverage, developmental activities and exam support you need at a time of curriculum change. - Helps students acquire, apply and revise core knowledge using clear explanations of key geographical content and concepts - Progressively builds the geographical and data skills emphasised in the 2016 specification by offering plenty of opportunities to learn and practise relevant skills for each topic - Brings geographical theory to life with a bank of engaging, up-to-date case studies, examples and place contexts - Consolidates topic knowledge and enables students to track their learning with review questions at the end of each chapter - Prepares students for the demands of AS and A level examinations by including numerous exam-style questions, ideal for skills development and rolling revision throughout the course - Makes it easier for you to meet the increased fieldwork requirements, suggesting topic-focused enquiries for both physical and human geography
