Various institutions have performed research about the afterlife, near death experiences, or about consciousness after death, finding proof that life continues after death. There have been many cases of near death experiences where people have had an encounter with the afterlife, such as 'seeing the light', or meeting their loved ones who passed away .

Taylor's POV Left right, or right left. Directions always have gotten so fuzzy in my head. But today was really a day I should be paying attention, it was one of the biggest nights of my life. Old habits die hard, I guess. After wandering around, and cursing myself for not at least putting it in my phone, I called my manager, Lizzy. Well her real name was Elizabeth, but she hated when I call...

"Life After You" is a song by American rock band Daughtry, released as the second single from their album *Leave This Town*. Chris Daughtry wrote the song with Nickelback vocalist Chad Kroeger and producer Joey Moi. Two versions of the original version exist: an album version and a music video version with the crowd cheering at the end. "Life After You" received positive reviews from music critics and was a success in most of the charts. It was also featured as the soundtrack of the 2013 animated

Life After You was the perfect read after a slew of thrillers. Set in Ireland, Milly is a corporate lawyer, spending her days climbing the male dominated law firm while settling into a low demand relationship with a property developer. Five years ago, Milly and her sister Sarah lost their wonderful father.

It's a fine line between heartache and heartbreak - and K.E. Taylor's "Life After You" has it all. When you first pick up the book, you might think it's just another romance novel serving you a damsel in distress and a hot tatted up rockstar that might just end up saving the day - but boy are you wrong, because Taylor's novel is so much more than that!
