Local Business Directory 's goal is to make your data work for your business and to help you use your precious minutes and hours more rationally. Local Business is a directory of UK businesses which works both for owners of companies and for people who need to quickly find a local company.

Free Local Business directory for UK Companies – Local

The majority of historic business and trade records in the UK are held by local record offices. Use the Find an archive tool to find contact details of archives/repositories across the UK. This tool also includes details of some repositories abroad which hold substantial collections relating to British history.

Company and business history records held by other

Voice of Business. One of the core missions for the West Cheshire & North Wales Chamber of Commerce is to provide a voice for our members and the local business community. It is our goal to ensure that the voice of business – whatever the size – is heard when decisions are made in local, regional and national government.

Voice of Business – West Cheshire & North Wales Chamber of

Voice search is good for local businesses Voice searches are more likely to be localised as they 're often off-the-cuff queries. This plays into the hand of businesses in a physical space because of the common 'near me' search, like 'restaurants near me' or 'barbers near me'.

Voice search for small businesses

Business Voice. Business Voice is the official publication of Thames Valley Chamber of Commerce Group which represents over 3,000 businesses from micro to multi-national organisations throughout Berkshire, Buckinghamshire, Oxfordshire & Swindon. Published four times a year, Business Voice fulfils two principal roles. Firstly, to keep members informed of the Chamber 's many activities, whether they be lobbying government for legislative changes to assist business fighting local causes on ...
