Lucifer's Hammer is just a bit too 'The A to Z of The Apocalypse' to warrant much of a recommendation. The narration is good, though sometimes the narrator lacks the ability to make voices easily distinguishable, but that's a minor gripe. It's just a ho-hum story. 27 people found this helpful

In Larry Niven and Jerry Pournelle's *Lucifer's Hammer* (1977), a comet hits the earth. Douglas Adams has the interstellar public works commission bulldoze the earth as a barrier to good trade and good highways in *The Hitchhiker's Guide to the Galaxy* (1979).

The gigantic comet had slammed into Earth, forging earthquakes a thousand times too powerful to measure on the Richter scale, tidal waves thousands of feet high. Cities were turned into oceans; oceans turned into steam. It was the beginning of a new Ice Age and the end of civilization. But for the terrified men and women chance had saved, it was also the dawn of a new struggle for survival--a struggle more dangerous and challenging than any they had ever known.... "Massively entertaining." CLEVELAND PLAIN-DEALER

A quarter century after humanity quarantines the aliens known as Moties within the confines of their own solar system, the single wall between them and the galaxy beyond begins to crumble. Reprint.

the Geographic have spent a century in cold sleep to arrive here: Avalon, a lush, verdant planet lightyears from Earth. They hope to establish a permanent colony, and Avalon seems the perfect place. And so they set about planting and building. But their very presence has upset the ecology of Avalon. Soon an implacable predator stalks them, picking them off one by one. In order to defeat this alien enemy, they must reevaluate everything they think they know about Avalon, and uncover the planet's dark secrets. At the publisher's request, this title is sold without DRM (Digital Rights Management). About The Legacy of Heorot: "Page-turning action and suspense, good characterization and convincing setting . . . may be the best thing any of those authors has written."—The Denver Post "Outstanding! . . . The best ever, by the best in the field . . . the ultimate combination of imagination and realism."—Tom Clancy "Well written, action-packed, and tension filled . . . makes Aliens look like a Disney nature film."—The Washington Post "Spine-tingling ecological tale of terror."—Locus About sequel Beowulf's Children: "Few writers have a finer pedigree than those here. . . . As one might suspect Beowulf's Children is seamless . . . absorbing, substantial . . . masterful novel."—Los Angeles Times "Panoramic SF adventure at its best."—Library Journal About Larry Niven & Jerry Pournelle: "Possibly the greatest science fiction novel I have ever read."—Robert A.

From the creator of TheSurvivalMom.com comes this first-of-its-kind guidebook for all the “prepper” moms keen to increase their family's level of preparedness for emergencies and crises of all shapes and sizes. Publisher's Weekly calls Lisa Bedford's Survival Mom an “impressively comprehensive manual,” saying, “suburban mom Bedford helps readers learn about, prepare for, and respond to all manner of disasters. . . . From 'Instant Survival Tip' sidebars to a list of 'Lessons from the Great Depression'. . . Bedford's matter-of-fact yet supportive tone will keep the willies at bay.”

Return to the "vivid and unusual" (Kirkus Reviews) world of Larry Niven and Jerry Pournelle's *The Burning City*, where the fire god has retreated into myth, leaving the residents of Tep's Town unprotected for the first time in their history. Unfortunately, a fiery fate isn't the only danger the town is facing. From out of the desert come monsters -- great birds with blades instead of wings, driven by some unknown force. Although they can be killed, the threat these terror birds pose is worse than death. Danger on the roads means no trade. No trade means that Tep's Town will be no more. Sent by the Lords of Lordshills to discover the source of the terror birds, Lord Sandry and

his beloved, Burning Tower, must travel into a world where magic is still strong -- and where someone or something waits to destroy them! Filled with the sweeping adventure, memorable characters, and imaginative world-building that have defined the novels of Larry Niven and Jerry Pournelle, Burning Tower is another triumph.

Rediscover this uplifting tale of the healing power of nature and the strength of friendship by New York Times bestselling author Mary Alice Monroe. It's been five years since the original turtle lady, old Miss Lovie Rutledge, passed away, but her legacy lives on with some special women, especially Toy and her daughter, young Little Lovie. Toy Sooner kept her graveside vow to her beloved mentor. She left behind an abusive, dysfunctional lifestyle to become a strong single mother and aquarist at the South Carolina Aquarium. But success has taken its toll, leaving Toy fearful of change and risks. Caretta Rutledge, Florence Prescott and Emmaline Baker have all experienced loss. This summer, with each other's friendship and support, they will try to make their dreams a reality. The turtle season begins the day Toy rescues a sick sea turtle on the beach. When Toy brings the loggerhead to the aquarium, she begins a turtle hospital with the help of her boss, Ethan. As the summer progresses and the sea turtles take their measured steps toward healing and freedom Toy, Cara, Flo and Emmi must

find their own strength to face their fears and move courageously toward their futures. Originally published in 2007

The “provocative and entertaining follow-up” to *The Forge of God*: Exiled from their planet, humans unite with one alien race in the fight against another (Publishers Weekly). The *Ship of the Law* travels the infinite enormity of space, carrying eighty-two young people: fighters, strategists, scientists—and children. After one alien culture destroyed their home, another offered the opportunity for revenge in the form of a starship built from fragments of the Earth’s corpse, a ship they now use to scour the universe in search of their enemy. Working with sophisticated nonhuman technologies that need new thinking to comprehend them, they’re cut off forever from the people they left behind. Denied information, they live within a complex system that is both obedient and beyond their control. They’re frightened. And they’re waging war against entities whose technologies are unimaginably advanced and vast, and whose psychology is ultimately, unknowably alien. In *Anvil of Stars*, the multimillion-selling, Nebula Award-winning author of *Eon* and other science fiction masterpieces “fashions an action-packed and often thrilling plot; by using each of the well-depicted alien races to mirror human behavior, he defines what it means to be *Homo sapiens*. . . . A gripping story”

(Publishers Weekly).

Acclaimed writing pair Larry Niven and Jerry Pournelle offer a new twist on Dante's classic tale, *Inferno*. After being thrown out the window of his luxury apartment, science fiction writer Allen Carpentier wakes to find himself at the gates of hell. Feeling he's landed in a great opportunity for a book, he attempts to follow Dante's road map. Determined to meet Satan himself, Carpentier treks through the Nine Layers of Hell led by Benito Mussolini, and encounters countless mental and physical tortures. As he struggles to escape, he's taken through new, puzzling, and outlandish versions of sin—recast for the present day. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The *Goliath Stone* is a visionary tale from Larry Niven and Matthew Joseph Harrington. Doctor Toby Glycer has effected miracle cures with the use of nanotechnology. But Glycer's controversial nanites are more than just the latest technological advance, they are a new form of life—and they have more uses than just medical. Glycer's nanites also have the potential to make everyone on Earth rich from the wealth of asteroids. Twenty-five years ago, the *Briareus* mission took

Bookmark File PDF Lucifers Hammer Larry Niven

nanomachinery out to divert an Earth-crossing asteroid and bring it back to be mined, only to drop out of contact as soon as it reached its target. The project was shut down and the technology was forcibly suppressed. Now, a much, much larger asteroid is on a collision course with Earth—and the Briareus nanites may be responsible. While the government scrambles to find a solution, Glycer knows that their only hope of avoiding Armageddon lies in the nanites themselves. On the run, Glycer must track down his old partner, William Connors, and find a way to make contact with their wayward children. As every parent learns, when you produce a new thinking being, the plans it makes are not necessarily your plans. But with a two-hundred-gigaton asteroid that rivals the rock that felled the dinosaurs hurtling toward Earth, Glycer and Connors don't have time to argue. Will Glycer's nanites be Earth's salvation or destruction? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

BOOK TWO IN THE CLASSIC HEOROT SERIES FROM GENRE LEGENDS LARRY NIVEN, JERRY POURNELLE, AND STEVEN BARNES. Some twenty years have passed since the passengers and crew of the starship Geographic established a colony on the hostile alien world of Avalon. In that time, a new generation has grown up in the peace and serenity of the island

Bookmark File PDF Lucifers Hammer Larry Niven

paradise of Camelot, ignorant of the Great Grendel Wars fought between their parents and grandparents and the monstrous inhabitants of Avalon. Now, under the influence of a charismatic leader, a group of young rebels makes for the mainland, intent on establishing their own colony, sure that they can vanquish any foe that should stand in their way. But they will soon discover that Avalon holds darker secrets still. At the publisher's request, this title is sold without DRM (Digital Rights Management).
