MARKETING: THE CORE, 2/e by Kerin, Berkowitz, Hartley, and Rudelius continues the tradition of cutting-edge content and student-friendliness set by Marketing 8/e, but in a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.

Market-leading ADVERTISING, PROMOTION, AND OTHER ASPECTS OF INTEGRATED MARKETING COMMUNICATIONS, 9th Edition discusses all aspects of marketing communications, from time-honored methods to the newest developments in the field. Comprehensive treatment of the fundamentals focuses on advertising and promotion, including planning, branding, media buying, sales, public relations, and much more. Emerging topics get special attention in this edition, such as the enormous popularity of social media outlets, online and digital practices, viral communications, and personal selling, along with all of their effects on traditional marketing. Revised to make ADVERTISING, PROMOTION, AND OTHER ASPECTS OF INTEGRATED MARKETING COMMUNICATIONS, 9th Edition the most current I.M.C. text on the market, chapters address must-know changes to environmental, regulatory, and ethical issues, as well as Marcom insights, place-based applications, privacy, global marketing, and of course, memorable advertising campaigns. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This work shows how the various elements of consumer analysis fit together in an integrated framework, called the Wheel of Consumer Analysis. Psychological, social and behavioural theories are shown as useful for understanding consumers and developing more effective marketing strategies. The aim is to enable students to develop skills in analyzing consumers from a marketing management perspective and in using this knowledge to develop and evaluate marketing strategies. The text identifies three groups of concepts - affect and cognition, behaviour and the environment - and shows how these they influence each other as well as marketing strategy. The focus of the text is managerial, with a distinctive emphasis on strategic issues and problems. Cases and questions are included in each chapter.

Resource added for the Supply Chain Management program 101821.

Principles of Marketing, helps students understand how to create value, build customer relationships and master key marketing challenges. The 8th Edition has been thoroughly revised to reflect the major trends impacting contemporary marketing. Packed with examples illustrating how companies use new digital technologies to maximize customer engagement and shape brand conversations, experiences, and communities.
