A range is a major appliance that combines both a cooktop and an oven, allowing you to bake, roast or broil while cooking other items on top. In contrast, a drop-in cooktop is installed in a countertop and only features heating elements for simmering, sauteing and other cooking techniques. Why choose a Maytag ® cooktop?

An oven/range combo fits most kitchens. What is the difference between a range and an oven? A range is a combination of a cooktop and an oven, while an oven can be part of a range or a separate appliance. Some kitchens feature ranges, while others have a wall oven installed in one part of the kitchen with a separate cooktop installed elsewhere.
