Escalation of one of the modern world's most intractable disputes. Truman tended to make decisions in an ad hoc, reactive fashion. Eisenhower, in contrast, had a more proactive approach to the regional conflict, but strategic and domestic political factors prevented him from

control over Saskatchewan's northern region. Following its rise to power in 1944, the CCF made aggressive efforts to unseat these traditional powers and install a new socialist economy and society in largely Aboriginal communities. The next two decades brought major changes

to establish a workable alternative. In an elegantly written history that documents the colonial relationship between the CCF and northern Saskatchewan, David Quiring draws on extensive archival research and oral history to offer a fresh look at the CCF era. This examination will find a
