patients who were given the same mental status examination. They tell you their stories as if you were their personal clinician and you diagnose their problems.

## Mental Status Examination: 52 Challenging Cases, DSM and ...

The Mental Status Exam is analogous to the physical exam: it is a series of observations and examinations at one point in time. Focused questions and observations can reveal "normal" or pathological findings. Although our observations occur in the context of an interview and may therefore be ordered differently for each patient, the report of ...
