When the partially dismembered body of a young man is found in the Florida Everglades, Deborah Jones, the fearless African American investigative journalist for the Miami Herald, finds herself caught up in a story that has ramifications far beyond anything she could have ever imagined. The victim had contacted Deborah anonymously just the day before, promising her top-secret government documents - the missing 28 pages of the 9/11 report - if she'd agree to a meeting. But he didn't show up, calling to say he feared for his life. Deborah Jones is a woman not easily deterred by threats. But when a second person dies in mysterious circumstances, it is clear to her and to everyone on her newspaper that Deborah could be next on the assassin's list.

From the author of the bestselling Jon Reznick Thriller series comes an exhilarating new adventure. When the people he loves most are in danger, Jack McNeal will get revenge...or die trying. NYPD detective Jack McNeal is used to asking the tough questions. But a late-night visit from the Secret Service lands Jack on the other side of the table--as a suspect in the disappearance of his estranged wife, Caroline, a prominent reporter on the White House beat. When her body is found floating in the Potomac, Jack is overcome by disbelief and despair. Her death seems eerily similar to the suspicious fatality of a young socialite years before. Is the similarity of the two tragic incidents simply a coincidence, or could it be a sign of a murderous orchestrated plot to protect those in the highest echelons of the American government? To avenge Caroline's death, Jack embarks on a journey into the darkest recesses of power. Suspects abound--from haunted special forces soldiers to ex-CIA to the president's own body man. Along the way, Jack will be forced to decide: Is there a line he won't cross to expose the killer?

Nothing and no one can stop assassin Nathan Stone. When black-ops asset Nathan Stone took out the heads of the Commission, a secret deep-state organization, he thought he'd destroyed them for good. Now he's gone off the grid, trying to get as far away from his past as possible. But the Commission isn't done with him yet. Lying low in a Miami bar, Stone knows something's up when an alluring actress strikes up a conversation with him. His suspicions are correct. The Commission is hot on his trail, and Stone is soon forced to run deep into the heart of the Everglades with the terrified woman as his hostage. He's the Commission's number one target--and this time nothing will stop them from eliminating him. But Nathan Stone is no ordinary target. The crew of mercenary assassins on his heels have no idea what's in store for them on the River of Grass. Because the hunt is on, and they picked the wrong prey.

A threat inside the government. A whistleblower's life on the line. It's up to Jon Reznick to bring justice. When hacker Trevelle Williams discovers documents that threaten national security and put his life in jeopardy, there's only one person he can turn to--Jon Reznick. Williams has learned that Rosalind Dyer, a key congressional witness, is about to be killed in order to stop her testimony. She has stumbled into the middle of a cover-up that goes deep into the United States government. Dyer knows her days are numbered, but that won't stop her from doing what she has to do. Trevelle Williams has helped Jon out of many a scrape in the past. Now, Jon is the only person he can turn to for help saving Rosalind's life, as well as his own, and protecting national security in the process. With enemies on all sides, including within the United States government, can Jon and Trevelle get to Rosalind in time? They're her only hope to escape her pursuers and bring these secrets to light.

Jon Reznick has never played by the rules, a trait that has brought him into conflict with FBI Assistant Director Martha Meyerstein in the past. But now Meyerstein has been taken by a shadow gang, and the renegade black-ops specialist may be her only hope for rescue. The FBI are reluctant to let Reznick anywhere near the case, but he's not in the habit of seeking their permission--especially once his covert investigation leads him straight to the head of the Russian Mob. And it soon becomes clear that it's not only Meyerstein who's in danger: her abduction is just the start of a campaign to undermine American law and order. With Meyerstein's whereabouts just out of reach, and the CIA and FBI seemingly operating at cross-purposes, it falls to Reznick to go it alone. Can he get to Meyerstein before the Mob get to him?

A senior American security adviser is missing, presumed kidnapped for his top-level military intelligence. FBI Assistant Director Martha Meyerstein needs to track him down before classified information gets into the wrong hands. She needs Jon Reznick on board. The former black-ops assassin is supposed to be on vacation with his daughter, but when Meyerstein calls, it doesn't pay to keep her waiting. Her elite team is convinced that the missing diplomat's expertise in the Persian Gulf points to an Iranian terrorist cell, but Reznick isn't so sure. His gut instinct tells him they're all wrong. Never one to play by the rules, he finds himself working alone, following a lead that everyone else has dismissed. But to Reznick, the suspect seems a little too clean... When the team comes under attack, the kidnapping is exposed as part of a much wider conspiracy, one far more dangerous than Meyerstein feared. Nothing and nobody is safe--and only Jon Reznick stands between national security and a campaign of unprecedented terror.
